TERMS OF REFERENCE

Position: OGP Program Manager/Lead Event Organizer

1. Background and Objectives

The Philippines is one of the founding members of the Open Government Partnership (OGP), a unique international initiative aimed at securing concrete commitments from governments to promote transparency, increase civic participation, fight corruption, and harness new technologies that strengthen governance.

In August 2017, the 4th National Action Plan (NAP) was launched, with twelve (12) commitments. Further, new non-government representatives in the PH-OGP Steering Committee were elected. Unique in this Steering Committee is the selection of civil society representatives from the three island regions-Luzon, Visayas, and Mindanao.

At the international arena of OGP, there is a move towards implementation of sub-national commitments and plans. Membership in the OGP has not been limited at the country level, but sub-national units as well (i.e., cities, provinces). The Philippines has trailblazed in this effort as well, with a commitment in the 4th NAP from the provincial Government of Bohol on open legislation.

With the evolving nature of OGP implementation in the Philippines, it is crucial to expand the reach of OGP as well as advocate for its local implementation. Outreach activities and dialogues with local stakeholders (i.e., local government units, local CSOs, academe, business groups) are proposed to be conducted. The activities will be led by the Department of Budget and Management (DBM)-the OGP government secretariat, and the Caucus of Development NGO Networks (CODE-NGO)-the OGP non-government secretariat, with the guidance of the PH-OGP Steering Committee. To assist the Project Team implementing this project, a Consultant/project Manager will be hired on a part-time basis.
