<p><u>CLARIFICATION</u></p> <p>Questions from the following bidders:</p> <p>Joint Venture of Nextix and Nextenders India</p> <p>➤ How many total CVs that are needed to be submitted?</p> <p>ePLDT</p> <p>➤ For elearning system. Is this an existing solution by DBM?</p> <p>➤ Is the vendor required to propose an elearning system?</p> <p>➤ We would want to be clarified also on the upgrade/enhancements which could be a result of a defect in the design. What if the upgrade/enhancement is based on a new requirement? Will this be a change order which will require additional costs?</p> <p>➤ On the perpetual licensing model, what about annual support fees which is not part of the licensing model?</p> <p>➤ On the support requirements, may we further appreciate the rationale behind the 24x7 (including holidays). As this will have an impact on the pricing model.</p>			<p>➤ Interested Consultants shall submit the respective CV's of the 10 key personnel as well as the CV's of the support staff. The number of support staff is dependent on the COTS to be used and customizations to be done by the interested supplier.</p> <p>➤ There is no existing elearning solution by DBM.</p> <p>➤ The vendor is required to propose an elearning system.</p> <p>➤ Please refer to "V. Output/Deliverables, Section 1.B.4 Change Management Plan" of the TOR.</p> <p>➤ Annual Support Fees should be included during the 16 months contract period. Please refer to "V. Output/Deliverables, Sections 4 and 5" of the TOR.</p> <p>➤ The service provider must ensure the continuous operation of the EGPS, twenty four (24) hours a day, seven (7) days a week. Moreover, the bidding process is open to international bidders/partners which may have different timezones.</p>

PARTICULARS	AMENDMENTS/CLARIFICATIONS
<p>➤ The following are not included on the TOR, please confirm if these functions are for offline services. This means that they will not be included on the development and included in the solution package:</p> <ul style="list-style-type: none"> ○ Technical Evaluation ○ Bid Summary ○ Financial Evaluation <p>➤ What are the functions for the video conference feature? This is essential for us to decide which video conference service/solution we will propose:</p> <ul style="list-style-type: none"> ○ Raise hand button ○ Presentation of documents while conference is ongoing <p>➤ For e-catalogue:</p> <ul style="list-style-type: none"> ○ Do we follow Standard product code? – UNSPC ○ If yes, are the previous products/solutions to be migrated on this system use the same standards? If no and you want to follow the standard product code (UNSPC), we need the data to be cleansed before migrating to the new system? The additional services would carry a different pricing. Will you consider this as a separate service via a separate acquisition/procurement? <p>➤ For Contract management, is Authoring part of the system process?</p>	<p>➤ These functions are included. Refer to “Annex A: Summary of Proposed Features / Functions, Section IX-C.3 Bid Evaluation” of the TOR.</p> <p>➤ As specified in Annex A: Summary of Proposed Features / Functions, Section IX-C.1 Pre-Bid Conference:</p> <p><i>“An online meeting system will be used to conduct the Pre-bid Conference activity. And once a pre-bid conference is ongoing or has started, the URL of the said meeting will be displayed in the corresponding bid notice abstract.”</i></p> <p>The contractor should suggest what is the appropriate functions to be used in complying the above mentioned requirements.</p> <p>➤ For the e-catalogue, the UNSPC standard product code is being followed. The previous products/solutions to be migrated use the same standards.
