Special Provisions

1. Release of Capital Outlays. The appropriations herein provided for the construction, rehabilitation, replacement, completion, and repair of elementary and secondary school buildings shall be directly released to, and administered by, the Department of Public Works and Highways based on the work program submitted by the Department of Education, Culture and Sports: PROVIDED, That the initial release shall be made within thirty (30) days after the receipt of the required documentation: PROVIDED, FURTHER, That the said construction, rehabilitation, replacement, completion and repair of the school building may be undertaken by local government units pursuant to Section 5 of R.A. No. 8150, The Public Works and Highways Infrastructure Program Act of 1995 and by the Department of Education, Culture and Sports.

2. Allocation of School Buildings. The allocation of school buildings herein funded shall be apportioned as follows: (1) fifty percent (50%) of the total capital outlay to be allocated pro-rata according to each legislative district's student population in relation to the total student population of the country; (2) forty percent (40%) of total capital outlay to be allocated only among those legislative districts with classroom shortages, pro-rata to the total classroom shortage of the country as determined by the Department of Education, Culture and Sports; (3) ten percent (10%) to be allocated in accordance with the policy considerations as may be determined by the DECS: PROVIDED, That calamity stricken areas shall be given priority in the implementation of the DECS - School Building Program.

3. Submission of List of School Buildings. Within thirty (30) days after the signing of this Act into Law, the Department of Education, Culture and Sports shall submit to the Department of Budget and Management the list of fifty percent (50%) of school buildings to be constructed in every municipality indicating therein the number of classrooms and the cost of projects, and the remaining fifty percent (50%) within six (6) months thereafter. The list as submitted shall be the basis for the release of funds which shall be made within fifteen (15) days after the submission to the Department of Budget and Management: PROVIDED, That no realignment, relocation of schoolbuilding projects already submitted to the Department of Budget and Management shall be made unless the same will result in the duplication and overlapping of funding source. Request for realignment/relocation shall be supported by a certification from the Principal or Teacher-in-Charge that the said project has been constructed or funded: PROVIDED, FURTHER, That a copy shall be furnished the Committee on Finance of the Senate and the Committee on Appropriations of the House of Representatives: PROVIDED, FINALLY, That provincial Governors shall be furnished a list of school buildings to be constructed in their provinces.

4. Engineering and Administrative Overhead. To ensure that at least ninety six percent (96%) of the amount released for infrastructure projects is made available for direct implementation of the project, any authorized deductions to cover administrative overhead, preconstruction activities after detailed engineering, construction project management, testing and quality control, acquisition, rehabilitation and repair of heavy equipment and other related equipment and parts used in the implementation of the infrastructure projects shall not exceed four percent (4%). (CONDITIONAL IMPLEMENTATION - President's Veto Message, February 14, 1998, page 1522, R.A. 8522)

5. Completed School Building Projects. The Department of Public Works and Highways shall turn over completed school building projects to the head of the school where the building is located. The Certification of Acceptance shall be signed by both the head of the school and the president of the PTA thereof.

6. Fabrication of Demountable School Buildings. The fabrication of demountable school buildings in accordance with the specifications and cost estimates of the Department of Public Works and Highways shall be undertaken in the Region whenever the necessary technical capability is available: PROVIDED, That the allocation of demountable school building shall be made upon prior consultation with the Representative of the legislative district concerned.

7. Creation of Summer Jobs in the School Building Program. In the implementation of the School Building Program, the Department of Education, Culture and Sports shall create summer jobs for students and out-of-school youths: PROVIDED, HOWEVER, That such summer jobs shall not exceed two months in duration.

8. Implementation of School Building Program. In the administration of the DECS-School Building Program in accordance with the provisions of R.A. No. 7880, the Department of Public Works and Highways may authorize the local government units pursuant to Section 5 of R.A. No. 8150, The Public Works and Highways Infrastructure Program Act of 1995, and the Department of Education, Culture and Sports to undertake project construction.
