

B. GOVERNMENT PROCUREMENT POLICY BOARD-TECHNICAL SUPPORT OFFICE

STRATEGIC OBJECTIVES

MANDATE

The TSO provides research, technical and administrative support to the GPPB (Sec. 63.3, IRR of RA 9184), including research-based procurement policy recommendations and rule-drafting, the development and updating of generic procurement manuals and standard bidding documents/forms, the management and conduct of training on procurement systems and procedures, the evaluation of the effectiveness of the government procurement system and recommendation of improvements in systems procedures, the monitoring of compliance to the Act and the provision of assistance to procuring entities to improve their compliance; and the monitoring of the effectiveness of the Government Electronic Procurement System (G-EPS), as well as Secretariat support.

VISION

A Government procurement system that is transparent, efficient and free of corruption, using information and communications technology as a tool for implementation, creating solidarity and proper coordination amongst all Government agencies, improved transactions between the Government and its suppliers, contractors and consultants, and an atmosphere of trust and confidence between the Government and the general public.

MISSION

To be the principal body responsible for procurement policy formulation and the implementation and monitoring of effective public procurement reform, thereby promoting and achieving good governance, in general, and transparency, accountability, equity, effectiveness, efficiency and economy in Government, in particular.
