|--|--|
| <p>Mode of output (service/good) delivery (e.g., provision of farm implements, provision of training, etc.):</p> | |
| <p>What is the expected impact of the program/project on the community?</p> <ul style="list-style-type: none"> • How many people will be affected by the program/project ? (put estimated number of beneficiaries) • Where are they located? (state location, e.g., region, province, city, municipality, etc.) • Are these areas with a large number of poor households as identified by NSCB and/or NAPC? How will the households be assisted? • Are these areas with many unemployed and underemployed as identified by NSCB and/or DOLE? How will the sustainable jobs be created? • Are these areas where climate change vulnerability assessments have been done by the department or by DOST or by DENR? How does the program/project consider climate change adaptation or mitigation? • What is the expected outcome? (e.g., increased income by xxx, etc.) | |
| <p>What are the probable risks foreseen during implementation and what will be done to manage these risks?</p> | |

| Cost of the Program/project | |
|--|---|
| Total estimated cost (in million pesos) | |
| What are the estimated costs each year? ² (in million pesos) | 2014 ____ 2015 ____ 2016 ____ beyond ____ |
| Duration of implementation (start and end of the program/project) | |
| Start: | |
| End: | |
| Frequency of intended program/project evaluation (e.g., every two years, every three years, every five years) | |

² Where a program/project is to be implemented beyond the forward estimates years (for example, a 5-year period) the agency will endeavor to provide their best estimate of the cost of the policy in the relevant years beyond the forward estimates years of 2014 to 2016.
