Instructions:

This form shall report the inputs of Civil Society Organizations (CSOs) from **national and local** consultations initiated by GOCC Central Offices for GOCC ongoing/new spending/expansion projects and activities for FY 2017.

For local consultations, inputs to be reported are those coming from consultations aside from the BuB process. Inputs from local CSO consultations led by or under the Regional Development Councils (RDCs), however, are not to be reported here.

To be prepared by GOCC Central Office and other instrumentalities of the National Government (Constitutional Offices, Other Executive Offices, SUCs). Attached agencies shall prepare this Form separately..

Column 1: Reflect the corresponding account code for the *project/activity* to which CSOs inputs can be attributed.

Column 2: Reflect the specific project/activity and/or sub-program of a major program for FY 2017. A detailed breakdown by regions per activity must be made.

Column 3: Reflect the corresponding account code for the location of the project/activity to which CSOs inputs can be attributed.

Column 4: State in this column the inputs/comments/recommendations of the **CSOs** on GOCC ongoing and/or new spending/expansion programs/projects/activities, as to: relevance; strategy and delivery methodology; beneficiaries/clients; accountability structure; costing; performance management; monitoring and evaluation; and risk management.

Inputs/comments/recommendations shall include those obtained and/or extracted from:

- conduct of CS/CSO Consultations at the national level,
- conduct of CS/CSO Consultations at the local level,
- review of the documentations for the past 12 months of GOCC program/project assessment and planning with participation of CSOs or under GOCC continuing consultative mechanisms, and/or
- engagement through Budget Partnership Agreements (BPAs).

The GOCC COs are reminded to be ready to provide the highlight/s of the consultations or extracts of the meetings/workshops, and actual attendance sheets, from which the inputs were based. These documents shall be collected after submission of the GOCC Budget Proposal to DBM.

Column 5: State in this column the amount of the object of expenditure that was based on the CSO inputs and incorporated by the agency in their submitted budget proposal. The amounts shall reflect, likewise, the adjusted regional distribution by activity/project submitted by the GOCC COs to DBM.

Column 6: State in this column the assumptions/basis made in the amount of the object of expenditure in column 5.

Column 7: Remarks here shall include the source of the CSO inputs if it was through a consultation, a BPA, or from other agency consultative mechanisms; the name/s of the CSO BPA partner, CSOs consulted or the agency mechanism for CSO participation; or any actions taken in response to the CSO inputs.
