

Republic of the Philippines
DEPARTMENT OF BUDGET AND MANAGEMENT

PHILIPPINE GOVERNMENT
DIRECTORY OF AGENCIES
AND OFFICIALS

2018

Message

Equitable access to information that is accurate and current, from a responsible and reliable source, is one of the pillars of transparent and accountable governance.

This is a principle recognized by the Duterte Administration and concretized through the issuance of Executive Order No. 2 on Freedom of Information (FOI) in the Executive Branch. It continues to be upheld and sustained through the policies, programs and activities that further improve the people's access to the government and to its services.

Crucial to the objective of enhancing access to and providing information that the people need from the government is a directory that is relevant, practical and convenient to use. Such a publication will further the goals of the President's FOI directive by serving as a vital data resource.

This is the goal that the Department of Budget and Management (DBM) pursues with the production of the 2018 Philippine Government Directory of Agencies and Officials. A first-ever Filipino translation of the Directory is also being produced.

This 2018 Directory retains the simple but attractive layout that promotes easy and convenient searches. It comes with the assurance of our continued commitment to openness and transparency, leading to positive change that is lasting and that will move the country forward.

BENJAMIN E. DIOKNO
Secretary

EXECUTIVE BRANCH

EXECUTIVE BRANCH

The Executive Branch implements national policies and performs the executive and administrative functions of the National Government. The Constitution vests the executive power in the President of the Philippines. The President is assisted by the Vice President and the Members of the Cabinet, including the heads of State Universities and Colleges and Government-Owned and/or-Controlled Corporations, in the discharge of executive functions.

CONSTITUTIONAL OFFICES

CONSTITUTIONAL OFFICES

The 1987 Constitution of the Philippines provides for the creation of offices that are independent and autonomous, and whose mandate and functions are defined by the Constitution itself.

These Constitutional Offices are the Civil Service Commission (CSC), which is the central personnel agency of the government; the Commission on Elections, tasked to enforce and administer all laws and regulations relative to the conduct of elections, plebiscites, initiatives, referenda and recall; and the Commission on Audit (COA), whose primary duty is to examine, audit and settle all accounts pertaining to the revenue and receipts of, and expenditures or uses of funds and property, owned or held in trust by, or pertaining to, the Government, or any of its subdivisions, agencies, or instrumentalities.

The term of office of the heads of these Constitutional Offices are fixed and defined by the Constitution.

The Commission on Human Rights (CHR), with the primary function of investigating all forms of human rights violations involving civil and political rights, and the Office of the Ombudsman, which has the power to investigate on its own or upon complaint, any act or omission of any public official, employee, office or agency which appears to be illegal, unjust, improper or inefficient, are likewise Constitutionally-mandated bodies.

GOCCs AND SUCs

GOCCs AND SUCs

Government-Owned and/or -Controlled Corporations

Government-owned and/or -controlled corporations (GOCCs), as defined by Presidential Decree No. 2029 (February 1986) and Executive Order No. 64 (1993), are agencies organized as stock or non-stock corporations, vested with functions relating to public needs, whether governmental or proprietary in nature, and owned by the Government of the Republic of the Philippines directly or through its instrumentalities. Established to engage in either commercial or non-commercial activities, such agencies may be wholly owned by the government or, in the case of stock corporations, the government has direct or indirect ownership of the majority of its capital stock. Some GOCCs have been created by special law and most have their own charter defining their governance and responsibilities.

By virtue of R.A. No. 10149 (GOCC Governance Act of 2011), GOCCs, except for the Banko Sentral ng Pilipinas, state universities and colleges, cooperatives, local water districts, economic zone authorities and research institutions, are monitored by the Governance Commission for Government-Owned and/or -Controlled Corporations (GCG). The GCG serves as the central advisory and oversight body to determine the relevance and evaluate the performance of GOCCs. It also has the power and function to ascertain whether or not GOCCs should be reorganized, merged, streamlined, abolished or privatized.

State Universities and Colleges

State universities and colleges (SUCs) are public higher education institutions (HEIs) that have been created or organized by an act of Congress.

As of June 8, 2017, the Commission on Higher Education (CHED) listed a total of 112 SUCs, with 453 satellite campuses, for Academic Year 2016-2017.

Over the past three (3) years (AY 2014-2015, AY 2015-2016, AY 2016-2017), the SUCs had an average total enrolment of 1,507,232. This represents 39.3 percent of the average total enrolment of 3,835,350 in all public and private HEIs. Over the same period, the SUCs produced an average total of 256,586 graduates, or 39.3 percent of the average total number of graduates of public and private HEIs.

Note: Data taken from the CHED official website as of June 8, 2017

LEGISLATIVE BRANCH

LEGISLATIVE BRANCH

As provided for by the Constitution, the Congress of the Philippines is the Bicameral Legislative Body of the Philippine Government which has the power to enact laws, including the General Appropriations Act. In addition to its Legislative mandate, Congress also performs powers of non-legislative nature such as the confirmation of Presidential appointments, impeachment, declaration of the existence of a state of war and concurrence or confirmation of the amnesty granted by the President.

The Congress is divided into two chambers: the Senate and the House of Representatives.

The Senate consists of 24 duly elected Senators, 12 of whom are replaced or re-elected every three years, to ensure continuity of policies, as well as the availability of experienced members, who can help and train newcomers in the discharge of duties.

The House of Representatives of the 17th Congress is composed of 235 Geographical District Representatives and 57 Sectoral Representatives. The Sectoral Representatives constitute about 20 percent of the total number of the Members of the House. Each Representative serves for a term of three (3) years, and can be re-elected for two (2) more additional terms.

JUDICIAL BRANCH

JUDICIAL BRANCH

The Constitution vests judicial power in the Supreme Court and in such lower courts as may be established by law.

At present, these lower courts are the Court of Appeals, Trial Courts (Regional, Metropolitan, Municipal and Municipal Circuit Trial Courts), Special Courts (Sandiganbayan and Court of Tax Appeals), and Shari'a Courts (Shari'a District and Circuit Courts). The Supreme Court exercises administrative supervision over all courts and their personnel.

As provided for by the Constitution, judicial power includes the duty of the courts of justice to settle actual controversies involving legally demandable and enforceable rights, and to determine whether or not there has been a grave abuse of discretion amounting to lack of or excess jurisdiction on the part of any branch or instrumentality of the Government.

LOCAL GOVERNMENT UNITS

LOCAL GOVERNMENT UNITS

Local Government Units serve as partners of the National Government in advancing the country's development agenda. They are both political and corporate bodies, endowed with powers to manage local affairs and promote the welfare of the people within their respective territorial jurisdictions. As of September 30, 2017, there are 81 provinces, 145 cities, 1,489 municipalities, and 42,036 barangays.

The heads of LGUs, except barangay officials (which shall be determined by law) are elected by their constituents and serve for a term of three years. As provided for by the Constitution, they may be re-elected for two additional consecutive terms.

DIPLOMATIC OFFICES AND INTERNATIONAL ORGANIZATIONS

DIPLOMATIC OFFICES AND INTERNATIONAL ORGANIZATIONS

Diplomatic and Consular Missions

The Philippine government, particularly during recent years, has welcomed 118 diplomatic and consular missions to the country.

Metro Manila hosts most of these embassies, which conduct a full range of diplomatic activities and services, including the development of commercial, economic, cultural, and scientific relations between the Philippines and their respective home countries, and the issuance of passports, travel documents, and visas. Some consular missions are located outside of Metro Manila, but still in key cities of the archipelago, primarily to facilitate the delivery of services to the Filipinos, as well as to their own citizens.

There are resident and non-resident missions. The former have embassies or chanceries, with the respective head of mission located in the Philippines. The latter, on the other hand, have missions based outside the country.

The premier diplomatic mission in the Philippines is that of the Holy See, the Apostolic Nunciature. Its head, the Apostolic Nuncio, is by tradition the Dean of the Diplomatic Corps.

International Organizations

International organizations that have established offices in the Philippines are focused on various functions and issues, depending on their mandate. These include information and monitoring of global trends, delivery of services such as health, social action and humanitarian aid, providing venues for economic and political discourse, and settling of disputes. While most of these organizations have their primary headquarters in Metro Manila, a number of them have regional offices to provide better access to their stakeholders and clients.
