REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF BUDGET AND MANAGEMENT
GENERAL SOLANO STREET, SAN MIGUEL, MANILA

INVITATION TO BID
**“Subscription to Managed Intelligent Network for
Advanced Insights (MINAI) Solution for the Department
of Budget and Management (DBM)”**

1. The Department of Budget and Management (DBM), through the FY 2024 Continuing Appropriations, intends to apply the sum of **Fifty-Five Million Pesos (P55,000,000.00)** being the Approved Budget for the Contract (ABC) to payments under the contract for the **“Subscription to Managed Intelligent Network for Advance Insights (MINAI) Solution for the Department of Budget and Management (DBM)”** (Project ID No. **DBM-2025-42**). The period for the performance of the obligations under the Contract shall not go beyond the validity of the appropriation for the Project. Bids received in excess of the ABC shall be automatically rejected at bid opening.
2. The DBM now invites bids for the above-entitled Procurement Project. Delivery of the Goods is required as specified in Section VI (Schedule of Requirements) of the Bidding Documents. Bidders should have completed **within the period of July 15, 2020 to July 14, 2025** a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II (Instructions to Bidders).
3. Bidding will be conducted through open competitive bidding procedures using a non-discretionary *“pass/fail”* criterion as specified in the 2016 Revised Implementing Rules and Regulations (IRR) of Republic Act (RA) No. 9184.

Bidding is restricted to Filipino citizens/sole proprietorships, partnerships, or organizations with at least sixty percent (60%) interest or outstanding capital stock belonging to citizens of the Philippines, and to citizens or organizations of a country the laws or regulations of which grant similar rights or privileges to Filipino citizens, pursuant to RA No. 5183.

4. Prospective Bidders may obtain further information from the DBM-Bids and Awards Committee (BAC) Secretariat through the contact details given below and inspect the Bidding Documents as posted on the websites of the DBM and the Philippine Government Electronic Procurement System (PhilGEPS).

5. A complete set of Bidding Documents may be acquired by interested Bidders on June 24, 2025, from the given address and website below and upon payment of a fee in the amount of Fifty Thousand Pesos (P50,000.00). The Procuring Entity shall allow the bidder to present its proof of payment for the fees which will be presented in person, by facsimile, or through electronic means.
6. The DBM will hold a Pre-Bid Conference for this Project on July 1, 2025, 2:00 p.m., at the BAC Conference Room, Ground Floor, DBM Building III, General Solano St., San Miguel, Manila, and/or **through video conferencing or webcasting**, which shall be open to prospective bidders.

Prior to this, the DBM-BAC will likewise conduct a preliminary audio-visual presentation on the same day, July 1, 2025, 11:00 a.m., **via video conferencing or webcasting**, which shall be open to all prospective bidders. The presentation will discuss the bidding process, the documentary requirements to be submitted, and other matters relevant to the Project.

In case of video conferencing or webcasting, the prospective bidders are advised to first log in the BAC waiting room, **<https://bit.ly/DBM-BAC-WaitingRoom>**, and wait for further advice to join the BAC meeting room, the link of which shall be provided to the prospective bidders before the start of both the preliminary audio-visual presentation and the Pre-Bid Conference.

7. Bids must be duly received by the BAC Secretariat or the DBM-Administrative Service (AS)-Central Records Division through manual submission at the office address indicated below on or before July 15, 2025, 3:00 p.m. Late bids shall not be accepted.
8. All Bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in **ITB** Clause 14.
9. Bid opening shall be on July 15, 2025, 3:00 p.m., at the given address below and via video conferencing. Bids will be opened in the presence of the bidders' representatives who choose to attend the activity. Authorized attendees, including representatives of bidders, who are physically present at the BAC Conference Room, DBM Building III, General Solano St., San Miguel, Manila shall likewise join the meeting via videoconferencing.

Bidders are advised to first log in the BAC waiting room, **<https://bit.ly/DBM-BAC-WaitingRoom>**, and wait for further advice to join the BAC meeting room, the link of which shall be provided to the bidders before the start of bid opening.

10. The DBM reserves the right to reject any and all bids, declare a failure of bidding, or not award the contract at any time prior to contract award in accordance with Sections 35.6 and 41 of the 2016 Revised IRR of RA No. 9184, without thereby incurring any liability to the affected bidder or bidders.

Section II. Instructions to Bidders

1. Scope of Bid

The Procuring Entity, Department of Budget and Management, wishes to receive Bids for the “**Subscription to Managed Intelligent Network for Advanced Insights (MINAI) Solution for the Department of Budget and Management (DBM)**” with Project Identification No. *DBM-2025-42*.

The Procurement Project (referred to herein as “Project”) is composed of one (1) lot, the details of which are described in Section VII (Technical Specifications).

2. Funding Information

2.1. The GOP through the source of funding as indicated below for FY 2025 in the amount of **Fifty-Five Million Pesos (P55,000,000.00)**. The period for the performance of the obligations under the Contract shall not go beyond the validity of the appropriation for the Project.

2.2. The source of funding is the FY 2024 Continuing Appropriations.

3. Bidding Requirements

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 Revised IRR, including its Generic Procurement Manuals and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or **IB** by the BAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have verified and accepted the general requirements of this Project, including other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

4. Corrupt, Fraudulent, Collusive, and Coercive Practices

The Procuring Entity, as well as the Bidders and Suppliers, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex “I” of the 2016 Revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

5. Eligible Bidders

5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.

- 5.2. Foreign ownership limited to those allowed under the rules may participate in this Project.
- 5.3. Pursuant to Section 23.4.1.3 of the 2016 Revised IRR of RA No. 9184, the Bidder shall have an SLCC that is at least one (1) contract similar to the Project, the value of which, adjusted to current prices using the PSA's CPI, must be equivalent to the following requirements:
- a. The bidder must have completed a single contract that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC, **or**
 - b. The bidder must have completed at least two (2) similar contracts:
 - i. The aggregate amount of which should be equivalent to at least fifty percent (50%) (in the case of non-expendable supplies and services) or twenty-five percent (25%) (in the case of expendable supplies) the ABC for this Project; **and**
 - ii. The largest of these similar contracts must be equivalent to at least half of the percentage of the ABC as required above (i.e., twenty-five percent [25%]).
- 5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.1 of the 2016 Revised IRR of RA No. 9184.

6. Origin of Goods

There is no restriction on the origin of goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN, subject to Domestic Preference requirements under **ITB** Clause 18.

7. Subcontracts

The Bidder may subcontract portions of the Project to the extent allowed by the Procuring Entity as stated herein, but in no case more than twenty percent (20%) of the Project.

The Procuring Entity has prescribed that subcontracting is not allowed.

8. Pre-Bid Conference

The DBM will hold a Pre-Bid Conference for this Project on July 1, 2025, 2:00 p.m., at the BAC Conference Room, Ground Floor, DBM Building III, General Solano St., San Miguel, Manila, **and/or through video conferencing or webcasting**, which shall be open to prospective bidders, as indicated in paragraph 6 of the **IB**.

Prior to this, the DBM-BAC will likewise conduct a preliminary audio-visual presentation on the same day, July 1, 2025, 11:00 a.m., **via video conferencing or webcasting**, which shall be open to all prospective bidders. The presentation will discuss the bidding process, the documentary requirements to be submitted, and other matters relevant to the Project.

In case of video conferencing or webcasting, the prospective bidders are advised to first log in the BAC waiting room, **<https://bit.ly/DBM-BAC-WaitingRoom>**, and wait for further advice to join the BAC meeting room, the link of which shall be provided to the prospective bidders before the start of both the preliminary audio-visual presentation and the Pre-Bid Conference.

9. Clarification and Amendment of Bidding Documents

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the DBM, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

10. Documents comprising the Bid: Eligibility and Technical Components

- 10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.
- 10.2. The Bidder's SLCC as indicated in **ITB** Clause 5.3 should have been completed **within the period of July 15, 2020 to July 14, 2025**.
- 10.3. If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. Similar to the required authentication above, for Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.

11. Documents comprising the Bid: Financial Component

- 11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.

- 11.2. If the Bidder claims preference as a Domestic Bidder or Domestic Entity, a certification issued by DTI shall be provided by the Bidder in accordance with Section 43.1.3 of the 2016 Revised IRR of RA No. 9184.
- 11.3. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.
- 11.4. For Foreign-funded Procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 Revised IRR of RA No. 9184.

12. Bid Prices

Prices indicated on the Price Schedule shall be entered separately in the following manner:

- a. For Goods offered from within the Procuring Entity's country:
 - i. The price of the Goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable);
 - ii. The cost of all customs duties and sales and other taxes already paid or payable;
 - iii. The cost of transportation, insurance, and other costs incidental to delivery of the Goods to their final destination; and
 - iv. The price of other (incidental) services, if any, listed in **Section VII (Technical Specifications)**.
- b. For Goods offered from abroad:
 - i. Unless otherwise stated in the **BDS**, the price of the Goods shall be quoted delivered duty paid (DDP) with the place of destination in the Philippines as specified in the **BDS**. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.
 - ii. The price of other (incidental) services, if any, as listed in **Section VII (Technical Specifications)**.

13. Bid and Payment Currencies

- 13.1. For Goods that the Bidder will supply from outside the Philippines, the bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies, shall be converted to Philippine

currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

13.2. Payment of the contract price shall be made in Philippine Pesos.

14. Bid Security

14.1. The Bidder shall submit a Bid Securing Declaration or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.

14.2. The Bid and bid security shall be valid until **November 12, 2025**. Any Bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

15. Sealing and Marking of Bids

Each Bidder shall submit one (1) copy of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

16. Deadline for Submission of Bids

The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 7 of the **IB**.

17. Opening and Preliminary Examination of Bids

17.1. The BAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 9 of the **IB**. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 Revised IRR of RA No. 9184 shall prevail.

17.2. The preliminary examination of bids shall be governed by Section 30 of the 2016 Revised IRR of RA No. 9184.

18. Domestic Preference

The Procuring Entity will grant a margin of preference for the purpose of comparison of Bids in accordance with Section 43.1.2 of the 2016 Revised IRR of RA No. 9184.

19. Detailed Evaluation and Comparison of Bids

- 19.1. The Procuring BAC shall immediately conduct a detailed evaluation of all Bids rated “*passed*,” using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of the 2016 Revised IRR of RA No. 9184.
- 19.2. If the Project allows partial bids, bidders may submit a proposal on any of the lots or items, and evaluation will be undertaken on a per lot or item basis, as the case maybe. In this case, the Bid Security as required by **ITB** Clause 14 shall be submitted for each lot or item separately.
- 19.3. The descriptions of the lots or items shall be indicated in **Section VII (Technical Specifications)**, although the ABCs of these lots or items are indicated in the **BDS** for purposes of the NFCC computation pursuant to Section 23.4.2.6 of the 2016 Revised IRR of RA No. 9184. The NFCC must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder.
- 19.4. The Project shall be awarded as one (1) Project having several items that shall be awarded as one (1) contract.
- 19.5. Except for bidders submitting a committed Line of Credit from a Universal or Commercial Bank in lieu of its NFCC computation, all Bids must include the NFCC computation pursuant to Section 23.4.1.4 of the 2016 Revised IRR of RA No. 9184, which must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder. For bidders submitting the committed Line of Credit, it must be at least equal to ten percent (10%) of the ABCs for all the lots or items participated in by the prospective Bidder.

20. Post-Qualification

Within a non-extendible period of five (5) calendar days from receipt by the Bidder of the notice from the BAC that it submitted the Lowest Calculated Bid, the Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS) and other appropriate licenses and permits required by law and stated in the **BDS**.

21. Signing of the Contract

The documents required in Section 37.2 of the 2016 Revised IRR of RA No. 9184 shall form part of the Contract. Additional Contract documents are indicated in the **BDS**.

Section IV. General Conditions of Contract

1. Scope of Contract

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 Revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 Revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

Additional requirements for the completion of this Contract shall be provided in the **Special Conditions of Contract (SCC)**.

2. Advance Payment and Terms of Payment

- 2.1. Advance payment of the contract amount is provided under Annex “D” of the 2016 Revised IRR of RA No. 9184.
- 2.2. The Procuring Entity is allowed to determine the terms of payment on the partial or staggered delivery of the Goods procured, provided such partial payment shall correspond to the value of the goods delivered and accepted in accordance with prevailing accounting and auditing rules and regulations. The terms of payment are indicated in the **SCC**.

3. Performance Security

Within ten (10) calendar days from receipt of the Notice of Award by the Bidder from the Procuring Entity but in no case later than prior to the signing of the Contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 Revised IRR of RA No. 9184.

4. Inspection and Tests

The Procuring Entity or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Project specifications at no extra cost to the Procuring Entity in accordance with the Generic Procurement Manual. In addition to tests in the **SCC, Section VII (Technical Specifications)** shall specify what inspections and/or tests the Procuring Entity requires, and where they are to be conducted. The Procuring Entity shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

All reasonable facilities and assistance for the inspection and testing of Goods, including access to drawings and production data, shall be provided by the Supplier to the authorized inspectors at no charge to the Procuring Entity.

5. Warranty

- 5.1 In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier as provided under Section 62.1 of the 2016 Revised IRR of RA No. 9184.
- 5.2 The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall repair or replace the defective Goods or parts thereof without cost to the Procuring Entity, pursuant to the Generic Procurement Manual.

6. Liability of the Supplier

The Supplier's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Supplier is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

Section V. Special Conditions of Contract

Special Conditions of Contract

GCC Clause	
1	<p>Delivery and Documents</p> <p>For purposes of the Contract, “EXW,” “FOB,” “FCA,” “CIF,” “CIP,” “DDP” and other trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of INCOTERMS published by the International Chamber of Commerce, Paris. The Delivery terms of this Contract shall be as follows:</p> <p>“The delivery terms applicable to the Contract are DDP delivered Manila. In accordance with INCOTERMS.”</p> <p>“The delivery terms applicable to this Contract are to be delivered in Manila. Risk and title will pass from the Supplier to the Procuring Entity upon receipt and final acceptance of the Goods at their final destination.”</p> <p>Delivery of the Goods shall be made by the Supplier in accordance with the terms specified in Section VI (Schedule of Requirements).</p> <p>For purposes of this Clause, the Procuring Entity’s Representative at the Project Site is the Undersecretary of the Information and Communications Technology (ICT) Group.</p> <p>Incidental Services</p> <p>The Supplier is required to provide all of the following services, including additional services, if any, specified in Section VI. Schedule of Requirements:</p> <ol style="list-style-type: none"> a. performance or supervision of on-site assembly and/or start-up of the supplied Goods; b. furnishing of tools required for assembly and/or maintenance of the supplied Goods; c. furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods; and d. performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract.

	<p>The Contract price for the Goods shall include the prices charged by the Supplier for incidental services and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.</p>
	<p>Packaging</p> <p>The Supplier shall provide such packaging of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in this Contract. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.</p> <p>The packaging, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the Procuring Entity.</p> <p>The outer packaging must be clearly marked on at least four (4) sides as follows:</p> <p>Name of the Procuring Entity Name of the Supplier Contract Description Final Destination Gross weight Any special lifting instructions Any special handling instructions Any relevant HAZCHEM classifications</p> <p>A packaging list identifying the contents and quantities of the package is to be placed on an accessible point of the outer packaging if practical. If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging.</p> <p>Transportation</p> <p>Where the Supplier is required under Contract to deliver the Goods CIF, CIP, or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.</p>

	<p>Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the contract price.</p>
	<p>Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine consulate to the port of dispatch. In the event that carriers of Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered force majeure.</p> <p>The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP deliveries. In the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination.</p> <p>Intellectual Property Rights</p> <p>The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.</p>
2.2	<p>The terms of payment shall be in accordance with item 11 of Annex “A” (Detailed Technical Specifications).</p> <p>Pursuant to the Bureau of Internal Revenue Regulation No. 017-2024 dated September 17, 2024, the supplier shall present their valid and updated Tax Clearance Certificate to the End-user Unit, prior to the final payment of the contract. Failure to present a valid and updated Tax Clearance shall entitle the DBM to suspend the final payment due to the supplier.</p>
4	<p>The inspection and approval as to the acceptability of the Goods vis-à-vis its compliance with the technical specifications will be done with prior written notice to the authorized representative of the Supplier. The inspection will push through as scheduled even in the absence of the Supplier’s representative, if the latter was duly notified. In which case, the result of the inspection conducted by the Procuring Entity shall be final and binding upon the Supplier.</p>

Section VI. Schedule of Requirements

Section VI. Schedule of Requirements

The delivery schedule stipulates hereafter the date of delivery to the project site.

Item	Description	Delivery Schedule
1	Delivery of Software License , as indicated in item 6.1 of Annex “A” (Detailed Technical Specifications) of Section VII. Technical Specifications	Within thirty (30) calendar days from receipt of the Notice to Proceed (NTP)
2	Submission of Solution Requirements Document (SRD)	Within thirty (30) calendar days from receipt of the NTP, subject to the approval of the DBM.
3	Delivery of Software Platform with 1 Year Software Assurance , as indicated in item 6.1 of Annex “A” (Detailed Technical Specifications) of Section VII. Technical Specifications	Within ninety (90) calendar days from receipt of the NTP
4	Subscription to the Software License and Platform	Shall run for twelve (12) months from the issuance of Proof of Subscription.

* The period for the performance of the obligations under the Contract shall not be beyond the validity of the appropriation for the Project.

I hereby certify to comply and deliver all the above requirements.

DETAILED TECHNICAL SPECIFICATIONS

1. PROJECT TITLE

Subscription to Managed Intelligent Network for Advanced Insights (MINAI) Solution for the Department of Budget and Management (DBM).

2. OBJECTIVE

- 2.1. A single centralized platform to store, access, retrieve, manage, and archive DBM documents that will streamline document updates and management processes for administrators and document owners, reducing the time and effort required to maintain the information on the DBM documents.
- 2.2. Enable DBM users to query the documents in the platform via an AI Chatbot to efficiently manage, process, and deliver insights from different sources, including traditional document types.
- 2.3. Aligning with the digital transformation effort of DBM and IFMIS, AI technologies will assist staff and officers in retrieval and analysis of budget-related and expense-related documents, particularly historical documents and scanned documents. This initiative aligns with the overall Enterprise Data Architecture roadmap and GovTech vision of DBM.
- 2.4. Subscribe to a secure DBM restricted private platform for use of the MINAI solution.

3. DURATION

- 3.1. The contract duration for the project is twelve (12) months – that includes related platform subscription, licenses, and support – from the issuance of the Proof of Subscription.

4. TECHNICAL REQUIREMENTS

- 4.1. Details on the functional requirements for the application are listed below in Attachment 1 and made an integral part of this document.
- 4.2. Details on the platform, infrastructure, and security requirements are listed below in Attachment 2 and made an integral part of this document.

5. SCOPE OF WORK

- 5.1. The service provider must design, develop, test, implement, and support the solution based on the functional and technical requirements listed below on Attachments 1 and 2 respectively and make an integral part of this document.
- 5.2. The service provider must assign the following minimum roles/resources that will be dedicated to the project.

- 5.2.1. Project Manager
 - 5.2.2. Technical Lead
 - 5.2.3. Developers and/or AI/ML Engineers
- 5.3. The service provider should provide structure, processes, and procedures for the establishment of Data Practice.
 - 5.4. The service provider must provide at least but not limited to system architecture diagrams, infrastructure and network diagrams, cyber security controls, technology stack, and other relevant diagrams and documentation for the solution.
 - 5.5. The service provider must conduct relevant design workshop/s to be able to provide the best solution for the functional and technical requirements listed below in Attachment 1 and 2 which make an integral part of this document.
 - 5.6. The Service Provider shall submit a Solution Requirements Document (SRD) that includes the complete solution design, detailed project milestones, and all related design documents. The SRD shall be submitted to the DBM-OCIO within thirty (30) calendar days from the receipt of the NTP, subject to the approval of the DBM.
 - 5.7. The service provider must provide all relevant services for the implementation and support of the project.
 - 5.8. The service provider must provide technical support services that include but not limited to bug fixes, patches, and incident resolution of the listed websites and the proposed platform.
 - 5.9. The service provider must provide eight hours a day, five days a week (8x5) technical assistance, and a Single Point of Contact (SPOC) designated by the service provider to attend to telephone calls, electronic mail, and/or on-site support during the entire duration of the Project. The SPOC may be required to visit DBM if deemed necessary.
 - 5.10. The service provider must conduct a remediation on the result of DBM's vulnerability assessment to ensure that the solution is free from any potential security vulnerabilities before production ("Go Live"). The service provider must prepare a transition plan and conduct relevant training sessions to ensure that the DBM personnel are able to support and maintain the solution after the support subscription period.
 - 5.11. The service provider must provide details on hotfix, upgrades, rollout, patches with detailed MOPs.
 - 5.12. The service provider should provide the necessary development environment to proceed with the timeline.
 - 5.13. The service provider shall provide implementation services to setup the AI platform including chatbot/AI assist portal, infra and network configuration, related CPU/GPU/NPU and ICT services/ logistics, establish document repositories, development of AI and chatbot, retrieval optimizations, program/project

management, solutions architecture, low-level design/documentation, systems testing, deployment activities and post-deployment activities within the subscription period.

6. SERVICE LEVEL AGREEMENT

- 6.1. The DBM shall maintain a Service Level Agreement with the service provider, with provisions for liquidated damages as indicated below for their non-compliance. Liquidated damages shall be charged against any money due, or which may become due to the service provider, or collected from any securities or warranties posted by the service provider.

Component	Description	Liquidated Damages
Delivery	The service provider shall deliver the following relevant Software Licenses within thirty (30) calendar days from the receipt of Notice to Proceed (NTP) and Platform with One (1) Year Software Assurance within ninety (90) calendar days from the receipt of NTP.	One-tenth (1/10 th) of percent (1%) of the total contract price shall be deducted for every day of delay.
Technical Support	The service provider shall provide/render eight hours a day, five days a week (8x5) technical support service that can be delivered in the form of a telephone call, electronic mail, and/or onsite support.	One-tenth (1/10 th) of one percent (1%) of the total contract price shall be deducted for every hour of delay.
Problem Resolution	The service provider shall resolve reported issues and/or incidents on the solution based on the defined priority matrix listed below in Attachment 3 and make an integral part of this document.	One-tenth (1/10 th) of one percent (1%) of the total contract price shall be deducted for every hour of delay.

7. QUALIFICATIONS OF THE SERVICE PROVIDER

- 7.1. The service provider must have a proven track record in Information Technology, Software Development and Systems Integration for at least twenty-five (25) years in the industry.

Note: A Bureau of Internal Revenue (BIR) Certificate of Registration (Form 2303) or Securities and Exchange Commission (SEC) Certificate is requested to be submitted during post-qualification.

- 7.2. To ensure the highest standards of service and expertise are met, it is mandatory for the bidder to have at least three (3) full-time employees that have any of the following

certifications, who can be tapped as Subject Matter Experts for additional levels of support:

- 7.2.1. Project Management Certification.
- 7.2.2. Infrastructure Systems Architect certification from any technology or industry-standard certification provider.
- 7.2.3. Any Developer/Development Code certification from any technology or industry-standard certification provider.
- 7.2.4. Any related Security certification from any technology or industry-standard certification provider.
- 7.2.5. The Open Group Architecture Framework (TOGAF) or Zachman Certified Enterprise Architect Certification

Note: Copies of professional certifications are requested to be submitted during post-qualification.

- 7.3. Must have personnel with AI technical certifications

Note: Copies of AI technical certifications are requested to be submitted during post-qualification.

- 7.4. The service provider should have a public sector portfolio.

Note: Certificates of project completion or acceptance of ongoing or completed project issued by the public sector clients are requested to be submitted during post-qualification.

- 7.5. The service provider should be registered with the National Privacy Commission (NPC), and the proposed solution must be registered as a Data Processing System and have a designated Data Protection Officer (DPO) in compliance with applicable data privacy laws and regulations.

Note: A valid and updated certificate of registration from the NPC is requested to be submitted during post-qualification.

- 7.6. The service provider shall provide the solution described in the Scope of Work in accordance with industry standards and best practices. In line with this:

- 7.6.1. The service provider shall undergo a Proof of Concept (PoC) of the proposed solution that includes the detailed proposed methodology and approach, in accordance with industry standards and best practices, and the testing of its compliance to the technical requirements and competencies of the service provider to deliver the services defined on the scope of work which shall be conducted as a post-qualification requirement. An executed Non-Disclosure Agreement (NDA) must be submitted by the service provider at least two (2) working days prior to the commencement of the PoC. All PoC preparations, including the setup and

configuration of the PoC environment, must be configured at least two (2) working days before the scheduled start of the live PoC demonstration.

Note: Proof of Concept (PoC) is requested to be presented during the post-qualification.

8. CONFIDENTIALITY OF DATA

- 8.1. All personnel assigned by the contractor shall be required to sign a Non-Disclosure Agreement (NDA) before the implementation of the Project.
- 8.2. The DBM managed websites, its component, parts and all products, product samples and specifications, data, ideas, technology, and technical/non- technical materials, all or any which may be derived from any of the foregoing are strictly confidential.
- 8.3. The contractor agrees to hold all the foregoing information in strict confidence. The contractor further agrees not to reproduce or disclose any confidential information to third parties without the prior written approval of the DBM.

9. DATA SOVEREIGNTY

- 9.1. The DBM subject to conditions prescribed by the Law of the Republic of the Philippines with regards to data residency and sovereignty laws, retains control and ownership of all data stored or processed during the subscription period.
- 9.2. All DBM Data stored in the contractor's solution shall be the sole property of the DBM. This data can be retrieved anytime upon request of the DBM and has the sole right and authority to copy, move, delete, or transfer it to other systems/locations.
- 9.3. Except as otherwise permitted under Philippine law, no data shall be subject to foreign laws, or be accessible to other countries, regardless of the system used, the nationality of the contractor, or the data's place of storage, processing, or transmission. No rights appurtenant to such data shall be deemed transferred or assigned by virtue of the storage, processing, or transmission thereof by the contractor.
- 9.4. The contractor must agree and ensure that the data stored in the proposed solution will remain within it and will not be transferred without the knowledge and permission of the DBM.
- 9.5. The contractor should provide a mechanism to purge actual data when any environment is subjected for decommissioning. The toolset should be compliant with NIST Special Publication 800-88 or other equivalent body that provides standardization for media sanitization.

10. WARRANTIES OF THE SERVICE PROVIDER

- 10.1. The service provider warrants that it shall strictly conform to the terms and conditions of this Detailed Technical Specifications.
- 10.2. The service provider warrants that the technical staff assigned are qualified to provide the deliverables required to the satisfaction of the DBM.

- 10.3. The service provider shall secure, and maintain at its own expense all registration, licenses, or permits required by national or local laws and shall comply with the rules, regulations, and directives of regulatory authorities and Commissions.
- 10.4. The service provider's technical staff assigned to support DBM shall take all necessary precautions for the safety of all persons and properties at or near their area of work and shall comply with all the standard and established safety regulations, rules and practices.
- 10.5. The service provider's technical staff assigned to support DBM shall coordinate with the ICTSS in the implementation of this project.
- 10.6. The service provider shall be liable for loss, damage, or injury caused directly or indirectly through the fault or negligence of its technical staff assigned. It shall assume full responsibility therefore and the DBM shall be fully released from any liability arising there from.
- 10.7. The service provider shall neither assign, transfer, pledge, nor subcontract any part of or interest in the contract, but joint ventures are allowed.
- 10.8. The service provider shall identify the certified technical staff who will be given authority to access and operate the specified equipment. The DBM, through the ICTSS, shall be informed within five (5) calendar days, through formal notice, of any change or replacement of technical staff assigned.
- 10.9. The service provider shall maintain the confidentiality and integrity of the DBM's data and information systems and comply with all applicable data protection and privacy laws.
- 10.10. The service provider shall have Comprehensive General Liability (CGL) insurance to protect the DBM from any possible incidents that may arise.

11. TERMS OF PAYMENT

- 11.1. One-time payment shall be made subject to the accomplishment/ submission of the specific deliverables and the following documentary requirements:
 - 11.1.1. Non-Disclosure Agreement (NDA)
 - 11.1.2. Valid and updated Tax Clearance Certificate
 - 11.1.3. Sales Invoice/ Billing Statement
 - 11.1.4. Proof of Subscription
 - 11.1.5. Certificate of Acceptance issued by the Undersecretary for Information and Communications Technology (ICT) Group of the DBM.

ATTACHMENT 1

FUNCTIONAL REQUIREMENTS

1. Document/ Data Intake

- 1.1. User Story: As DBM officer, I want to manually upload documents and files on a web application chatbot to be added-to/ used as knowledge base.
- 1.2. User Story: As DBM Officer, I want to connect to a document management system, shared drive and/ or file repository as source to be added-to/used as knowledge base

2. AI Chatbot & User Interface:

- 2.1. User Story: As DBM staff member, I want to ask a natural language question (e.g., “How do I issue a SARO?”) and get a contextual response with a clear explanation and relevant policy reference, so that I can confidently act on tasks without needing to consult others.
- 2.2. User Story: As a DBM staff member, I want the assistant to return the specific document title, section, and version of the policy cited, so that I can validate the accuracy of the answer.
- 2.3. User Story: As a DBM staff member, I want to rate whether an answer was helpful or accurate, so that the system can improve over time based on real-world use.
- 2.4. User Story: As a DBM division chief, I want to restrict access to certain classified memos or policies, so that junior staff members only receive filtered and appropriate content.
- 2.5. User Story: As a DBM staff member, I want to receive answers tailored to my division (e.g., Budget Execution Service, Budget Preparation Bureau), so that I only get guidance relevant to my assigned responsibilities.
- 2.6. User Story: As a DBM staff member, I want the assistant to explain policies in simplified language, so that I can understand even without deep experience in government terminology.
- 2.7. User Story: As a DBM staff member, I want to see if the memo or circular being cited has been superseded or is outdated, so that I can avoid using invalid policies.
- 2.8. User Story: As a DBM staff member, I want to be notified when new circulars or memos have been added to the assistant, so that I am always working with the most current information.

3. Enable designated personnel to manage, upload, validate, and maintain high-quality content in the AI's internal knowledgebase.

- 3.1. User Story: As a DBM knowledge manager, I want to upload and classify internal DBM documents (e.g., NEP guidelines, budget memos, circulars), so that the LLM has access to the correct and curated knowledge base.
- 3.2. User Story: As a DBM knowledge manager, I want to tag each uploaded document with security levels (e.g., confidential, public, internal-use), so that access is controlled according to user roles.
- 3.3. User Story: As a DBM knowledge manager, I want to flag important updates as "high priority" for push notification during secure updates, so that all staff are aware of new or urgent policies.

- 3.4. User Story: As a DBM knowledge manager, I want every response from the assistant to include a citation of which document was used so that decisions made using the tool can be audited.
 - 3.5. User Story: As a DBM knowledge manager, I want to collect feedback logs and retrain or re-rank the assistant's model periodically without internet, so that model quality improves within the secured environment.
 - 3.6. User Story: As a DBM knowledge manager, I want to update the assistant's knowledge base and model weights via USB or secure file transfer, so that the system stays up to date without requiring internet access.
 - 3.7. User Story: As a DBM LLM Administrator, I want to be able to get updated, publicly available Large Language Models and deploy them within the environment without directly connecting the environment to the internet.
4. Must have a user-friendly interface with intuitive navigation and role-specific dashboards with relevant information.
 5. Must have training and onboarding modules to ensure system adoption.
 6. A centralized portal that shall be used to provide distinct access and interoperable to any similar system and Knowledge Management Assistant (KMA).
 - 6.1. The following are the Knowledge Management Assistant (KMA) minimum requirements.
 - 6.1.1. The KMA shall capture, store, and classify knowledge products as:
 - 6.1.1.1. Born-Digital: Documents originally created, stored, and managed in digital format.
 - 6.1.1.2. Digitized Records: Paper-based records converted into machine-readable formats.
 - 6.1.1.3. Explicit Knowledge: Policies, mandates, guidelines, research reports, and formal documentation.
 - 6.1.1.4. Tacit Knowledge: Implicit knowledge used by employees that can be documented and structured.
 - 6.1.1.5. Metadata Management: All records shall include metadata such as author, date created, file format, version, access history, and classification status.
 - 6.1.1.6. Knowledge products must be graded and validated using the Knowledge Product Standardized Grading Tool before archiving in the KMS.
 - 6.1.2. The KMA shall seamlessly be interoperable with the following DBM systems:
 - 6.1.2.1. Document Management System (DMS)
 - 6.1.2.2. Library Portal
 - 6.1.2.3. Other existing or future digital repositories

- 6.1.2.4. Integration shall ensure that all knowledge products are properly linked across DBM platforms, avoiding duplication while maintaining accessibility.
- 6.1.3. The system shall provide a structured repository for knowledge products, enabling at least:
 - 6.1.3.1. Full-text search capabilities for quick retrieval.
 - 6.1.3.2. Filtering and categorization based on document type, author, date, and relevance.
 - 6.1.3.3. Customizable access controls to ensure proper permissions for viewing, editing, and sharing knowledge assets.
- 6.1.4. The KMA must be able to do version tracking, ensuring at the minimum:
 - 6.1.4.1. Older versions remain accessible for reference.
 - 6.1.4.2. Any modifications are logged with timestamps and user details.
 - 6.1.4.3. Changes can only be made by authorized personnel, with an approval workflow.
- 6.1.5. The knowledge products/documents shall be valid indefinitely until they are updated or removed by their respective knowledge owners. The system shall support at a minimum:
 - 6.1.5.1. Automated retention policy enforcement based on the Knowledge Product Standardized Grading Tool.
 - 6.1.5.2. Archival and deletion request workflows, requiring authorization from the respective Bureau/Service/Office (B/S/O).
- 6.1.6. The KMA shall support collaborative knowledge-sharing through:
 - 6.1.6.1. Discussion forums within the system.
 - 6.1.6.2. Commenting and feedback mechanisms on knowledge products.
 - 6.1.6.3. Automated notifications for updates on shared knowledge products.
- 6.1.7. Digital documents stored in the KMA must be recognized as official copies, maintained per DBM and National Archives of the Philippines (NAP) regulations.
- 6.1.8. Conformance to the DBM policies and standards.

PLATFORM, INFRASTRUCTURE AND SECURITY REQUIREMENTS

1. Platform Requirements

- 1.1. The proposed solution should be able to comply with Philippine Privacy Laws.
- 1.2. The proposed solutions should be able to operate without the need of any internet connectivity.
- 1.3. The solution must be able to handle large volumes of electronic records/ documents efficiently allowing concurrent access by multiple users without performance degradation.
- 1.4. The solution must have at least a 95% system uptime.
- 1.5. The solution must be interoperable with external platforms via APIs to allow future integrations.
- 1.6. The solution must support open standards for common document formats such as PDF, DOCX, XLSX, PPTX, and XML.
- 1.7. Customizable Web Application
 - 1.7.1. The platform should have a sysadmin view that government IT can adjust/ toggle basic configurations.
 - 1.7.2. The platform should be able to restrict certain concepts/ context or specific words on the output of the bot.
- 1.8. Orchestrator
 - 1.8.1. The platform should have a capability and/ or a framework that will perform the necessary orchestration between the document sources and LLMs.
- 1.9. Large Language Models
 - 1.9.1. The platform should have a capability that will perform processing, understanding, and generating human language.
 - 1.9.2. The platform should have a capability that will automatically translate to Filipino
 - 1.9.3. The platform should have a capability that will automatically summarize the response.
 - 1.9.4. The platform should have a capability that will understand and generate human-like conversations.
- 1.10. AI Engine
 - 1.10.1. The platform should have the capability to chunk large input text into smaller pieces.

- 1.10.2. The platform should have the capability to convert text data to an input acceptable by large language models.
- 1.10.3. The platform should be able to accept at least the following readable file format: TXT, RTF, DOC, DOCX, PDF
- 1.10.4. The platform should have the capability to represent data in vectors for faster retrieval.
- 1.10.5. The platform should have the capability to utilize metadata and tags for context optimizations.
- 1.10.6. The platform should have the capability to scale based on the increasing number of users.
- 1.10.7. The platform should have the capability to scale based on increasing complexity of processing required.
- 1.11. AI Guardrails
 - 1.11.1. The platform should be able to mitigate harmful, biased and misleading content.
 - 1.11.2. The platform should be able to perceive patterns that are non-existent to avoid inaccurate output/ response or AI hallucinations.
- 1.12. Platform/ Apps/ Tools web-based components (if applicable) should support common browsers: Microsoft Edge, Safari, Chrome, Firefox, Opera.

2. Technical Requirements

- 2.1. The solution must be scalable and have at least 95% availability.
- 2.2. The solution must be operated on a secured DBM restricted private platform.
- 2.3. The solution must be able to be migrated to an on-premises architecture deployment.
- 2.4. The solution should support an on-premises deployment.
 - 2.4.1. The on-premises infrastructure should at least be the following:
 - 2.4.1.1. Should be installed at the Secondary Data Center (SDC).
 - 2.4.1.2. Should use commodity hardware or appliance.
 - 2.4.1.3. Should use enterprise GPUs or NPUs.
 - 2.4.1.4. Should not connect to the internet.
 - 2.4.2. The solution should include a management console.
 - 2.4.3. The solution must be scalable.
 - 2.4.4. The solution must align with Open Data Architecture.
 - 2.4.5. The solution should align with Open-Sourced Technologies.

- 2.4.5.1. The technology stack must not be tightly coupled.
- 2.4.5.2. The data, data types and data format must not be platform locked.
- 2.4.5.3. The Large Language Model (LLM) must not be tightly coupled with the Engine.
- 2.4.6. All output and response of the platform is not token-based, should not be per seat – licenses should not be variable to the consumption patterns of the users.
- 2.4.7. Use of the platform is unlimited based on the number of users and query volume estimates.
- 2.4.8. The solution must be able to support the following volume estimates:
 - 2.4.8.1. Total Raw Data (including historical): 25TB
 - 2.4.8.2. Total Compute: 100,000 generated responses per day on core government hours 8AM – 5PM
 - 2.4.8.3. Total Data Consumers: 20 concurrent users (transaction per second) , 5 tech users (transaction per second)
 - 2.4.8.4. Accessible Hours: 24x7
- 2.4.9. The solution should incorporate a GPU/NPU compute design:
 - 2.4.9.1. GPU/ NPU hardware infrastructure design should be scalable.
 - 2.4.9.2. GPU/ NPU hardware infrastructure design should be compatible with publicly available LLM.
 - 2.4.9.3. GPU/ NPU hardware infrastructure design should not be EOS/EOL.
 - 2.4.9.4. Must be able to support different types of GPU/ Server Types under a single cluster to maximize legacy and future infrastructure investment.
- 2.4.10. The solution should incorporate a storage design:
 - 2.4.10.1. The solution must be compatible to the equipment at the Secondary Data Center (SDC).
 - 2.4.10.2. Storage architecture and design should be built on open-source technologies.
 - 2.4.10.3. Storage architecture and design should be scalable.
 - 2.4.10.4. Storage architecture and design should be capable of handling large daily data.
 - 2.4.10.5. The components should be modular and not tightly coupled proprietarily.
- 2.5. The solution must offer a local backup and disaster recovery mechanism. It should include an in-place backup solution that will compress necessary artefacts such as project files, templates, and Vector DB.

3. Security Requirements

- 3.1. The service provider shall certify the system and technology stack is designed and configured with adequate controls that will reasonably protect it from OWASP vulnerabilities.
- 3.2. The solution shall be configured with cyber security industry best practices at a minimum on the system, application, database, storage, operating system and network used by the solution.
- 3.3. The application and AI engine will be segmented through layers, separated by DBM firewall.
- 3.4. The solution should include features for management of user accounts and password settings.
- 3.5. The solution must utilize a role-based access control (RBAC) that has at a minimum the following functionalities:
 - 3.5.1. System administrators manage access rights.
 - 3.5.2. Users must access knowledge products/documents relevant only to their defined roles.
 - 3.5.3. Assign different user levels (e.g., system administrators, records custodians, department personnel)
 - 3.5.4. Only authorized personnel can modify, archive, or delete records.
 - 3.5.5. Restrictions on access to records based on Bureau/Service/Office (B/S/O) agency coverage
- 3.6. The solution must have secure authentication and authorization mechanisms with at least the following features/controls:
 - 3.6.1. Authentication credentials such as passwords are required to be encrypted using industry grade encryption algorithms and should be passed over on secured protocols (SSH/HTTPS).
 - 3.6.2. Must store passwords as industry standard ciphertext such as SHA512.
 - 3.6.3. Passwords must be stored salted using unique value per user and is refreshed when a password is replaced.
 - 3.6.4. Must have a secure self-service password reset/change in a secure context.
 - 3.6.5. Must be able to generate an access list containing relevant login information except passwords and assigned role privileges/permissions.
 - 3.6.6. Must display the date and time of the last successful log-on and log-off.
- 3.7. The solution must have an Audit Log and shall be able to log at least the following with sufficient details including at least the actor, timestamp, context/ description:
 - 3.7.1. Date/time, access events, configurations changes, port/ network changes, commands executed, transactions executed, affected Datapoint/ Datasets.

- 3.8. The solution must have the capability to generate periodic system-generated reports for compliance monitoring.

4. Backup and Disaster Recovery

- 4.1. The solution must support automated scheduled backups, manual backups, incremental/full backups, redundant storage mechanisms, and other relevant backup and recovery configuration and protocols to prevent data loss. This should be an in-place behavior since there is only one environment for this purpose.

ATTACHMENT 3 SERVICE LEVEL MATRIX

The Service Level Matrix shall be subject to review and adjustment after the stabilization period to ensure that the agreed-upon service levels are realistic, achievable, and aligned with the actual operational environment.

Priority Matrix

The contractor shall categorize all received incidents/requests according to the response priority Matrix below. The Response Priority Matrix establishes the type of response based on the severity of the reported incident/request.

IMPACT The measure of how an incident or service failure is affecting the DBM business operations and whether a valid workaround or fix exists	SEVERITY The measure of how serious the issue or incident is ranked and the resolution urgency
High: Entire DBM or critical business services affected. No work-around or manual process available. At least 30% of operational capacity or services are impaired.	High: Component or Major system failure. Incident must be resolved immediately. At least 30% of IT systems are rendered unavailable or unusable.
Moderate: DBM's business services partially affected but not causing impact on client's ability to operate. Work-around or manual processes are available.	Moderate: Component failure or partial degradation. Problem requires quick to standard response.
Low: A problem exists but not causing virtually any impact on DBM's ability to operate significant business processes or production. Work-around or manual processes are available.	Low: Component failure, malfunction or minor degradation. Problem requires standard response to scheduled work.

	HIGH IMPACT	MODERATE IMPACT	LOW IMPACT
HIGH SEVERITY	PRIORITY 1	PRIORITY 2	PRIORITY 3
MODERATE SEVERITY	PRIORITY 2	PRIORITY 3	PRIORITY 4
LOW SEVERITY	PRIORITY 3	PRIORITY 4	PRIORITY 5

Service Response/Restore/Resolution (S3R) Time Matrix

Service and support requests will be ranked and actioned according to the S3R Matrix below:

	Response	Restore	Resolution
PRIORITY 1	Less than 10 minutes	Within one (1) hour	Within four (4) hours
PRIORITY 2	Within 30 minutes	Within four (4) hours	Within eight (8) hours
PRIORITY 3	Within 60 minutes	Within eight (8) hours	Within two (2) calendar days
PRIORITY 4	Within 4 hours	Within twenty-four (24) hours	Within five (5) calendar days
PRIORITY 5	Within 24 hours	Within seven (7) calendar days	

All reports/requests received by the contractor either via Email, Phone Call, or Customer Portal must be responded/restored/resolved (including classification) within the time prescribed in the Priority Matrix.

Response pertains to the contractor's commitment to assign and/or dispatch their personnel to work on the reported incident and/or request from the time of receipt and classification based on the S3R Matrix.

Restore pertains to the contractor's commitment to either provide a workaround or temporary fix to address the reported incident and/or request to bring back the infrastructure/systems environment to normal operating parameters based on the S3R Matrix.

Resolution pertains to the contractor's commitment to provide a root cause analysis (RCA) on the reported incident/request and deploy a permanent fix/solution so as not to have the incident/request be repeated.

Section VIII. Checklist of Technical and Financial Documents

Checklist of Technical and Financial Documents

- i. State **ALL** ongoing contracts including those awarded but not yet started (government **[including the DBM]** and private contracts which may be **similar or not similar** to the project being bidden) up to July 14, 2025.
- ii. If there is no ongoing contract including those awarded but not yet started as of the aforementioned period, state none or equivalent term.
- iii. The total amount of the ongoing and awarded but not yet started contracts should be consistent with those used in the Net Financial Contracting Capacity (NFCC).
- iv. Please note that item 6.4 of the Government Procurement Policy Board (GPPB) Circular No. 04-2020 dated September 16, 2020 states that, "[t]he PEs shall check **compliance of the submitted forms with the mandatory provisions stated above. Non-submission of the Required Forms or non-inclusion of the mandatory provisions in any of the Required Forms shall be a ground for disqualification.**"

Moreover, GPPB Non-Policy Matter Opinion No. 041-2014 dated October 9, 2014 partially states that **“even contracts that include non-disclosure agreements or confidentiality clauses are required to be disclosed.** It is likewise good to clarify that

the requirement refers to a “statement” to be made by the bidder relative to all its ongoing and private contracts, and not the actual submission of the physical contracts.”

Instructions:

- a. Pursuant to Section 23.4.1.3 of the 2016 Revised IRR of RA No. 9184, the Bidder shall have an SLCC that is at least one (1) contract similar to the Project, the value of which, adjusted to current prices using the PSA's CPI, must be at least equivalent to the following requirements:
 - i. a single contract that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC; **OR**
 - ii. at least two (2) similar contracts:
 - (c) the aggregate amount of which should be equivalent to at least fifty percent (50%) of the ABC for this Project; **AND**
 - (d) the largest of these similar contracts must be equivalent to at least half of the percentage of the ABC as required above (i.e., twenty-five percent [25%]).
- b. The SLCC should have been completed (i.e., accepted) within the period of **July 15, 2020 to July 14, 2025**.
- c. The similar contract for this Project shall refer to the delivery or use of digital solutions with features such as AI-powered analytics or knowledge management tools or cloud-based data integration using APIs, or multi-user dashboards, across multi-stakeholder government or large private sector networks. If the delivery or use of digital solutions with features such as AI-powered analytics or knowledge management tools or cloud-based data integration using APIs, or multi-user dashboards, across multi-stakeholder government or large private sector networks forms part of a bigger contract, only the cost component of the delivery or use of digital solutions with features such as AI-powered analytics or knowledge management tools or cloud-based data integration using APIs, or multi-user dashboards, across multi-stakeholder government or large private sector networks shall be considered for purposes of comparing the value thereof to at least fifty percent (50%) of the ABC.

- d. Please note that item 6.4 of the Government Procurement Policy Board (GPPB) Circular No. 04-2020 dated September 16, 2020 states that, "[t]he PEs shall check **compliance of the submitted forms with the mandatory provisions stated above. Non-submission of the Required Forms or non-inclusion of the mandatory provisions in any of the Required Forms shall be a ground for disqualification.**"

Moreover, GPPB Non-Policy Matter Opinion No. 041-2014 dated October 9, 2014 partially states that "**even contracts that include non-disclosure agreements or confidentiality clauses are required to be disclosed.** It is likewise good to clarify that the requirement refers to a "statement" to be made by the bidder relative to all its ongoing and private contracts, and not the actual submission of the physical contracts."

- * Date of Acceptance shall mean the date when the items delivered have **satisfactorily met** the requirements of the procuring entity, as evidenced by either a Certificate of Final Acceptance/Completion from the bidder's client, or an Official Receipt or a Sales Invoice (to be submitted during post-qualification).

Bid Form for the Procurement of Goods
[shall be submitted with the Bid]

BID FORM

Date : _____

Project Identification No. : **DBM-2025-42**

To: [name and address of Procuring Entity]

Having examined the Philippine Bidding Documents (PBDs) including the Supplemental or Bid Bulletin Numbers *[insert numbers]*, the receipt of which is hereby duly acknowledged, we, the undersigned, offer **Subscription to Managed Intelligent Network for Advanced Insights (MINAI) Solution for the Department of Budget and Management (DBM)** in conformity with the said PBDs for the sum of *[total Bid amount in words and figures]* or the total calculated bid price, as evaluated and corrected for computational errors, and other bid modifications in accordance with the details provided herein and made part of this Bid. The total bid price includes the cost of all taxes.

If our Bid is accepted, we undertake:

- a. to deliver the goods in accordance with the delivery schedule specified in the Schedule of Requirements of the Philippine Bidding Documents (PBDs);
- b. to provide a performance security in the form, amounts, and within the times prescribed in the PBDs;
- c. to abide by the Bid Validity Period specified in the PBDs and it shall remain binding upon us at any time before the expiration of that period.

Until a formal Contract is prepared and executed, this Bid, together with your written acceptance thereof and your Notice of Award, shall be binding upon us.

We understand that you are not bound to accept the Lowest Calculated Bid or any Bid you may receive.

We certify/confirm that we comply with the eligibility requirements pursuant to the PBDs.

The undersigned is authorized to submit the bid on behalf of *[name of the bidder]* as evidenced by the attached *[state the written authority]*.

We acknowledge that failure to sign each and every page of this Bid Form, shall be a ground for the rejection of our bid.
