	<p>Attached are the following documents which should be used as part of the Bidding Documents to be submitted by the bidders:</p> <p>1) Revised Section VII. Technical Specifications</p>
<p>Queries:</p> <p>1. Under Section VII. Technical Specifications, specifically Memory: “Can it be onboard or slotted? Can it be 1x16GB or 2x8GB?”</p> <p>2. Under Section VII, specifically battery: “Whether the battery can be removable”</p> <p>3. Under Section VII, specifically Standard I/O Ports: “Is it possible to include or replace the HDMI port to a Mini HDMI port.</p> <p>4. In relation to the requirement for Regional/ Adjoining Regional Service Centers or Manufacturer Authorized Regional Service Centers, would it be possible to get a list of addresses of DBM Regional Offices?</p>	<p>Clarifications:</p> <p>1. The bidding document does not specify whether the laptop’s memory is onboard or slotted, or whether it is 1x16GB or 2x8 GB. All options are acceptable as long as the required RAM of 16GB DDR4 is complied with.</p> <p>2. The bidding document does not specify whether the battery should be built-in or removable. Both options are acceptable as long as the battery complies with the required 3 cell, Li-Ion polymer (charges up to 8 hours of battery life, and supports fast charge) features.</p> <p>3. Yes, only if the Mini HDMI port is included or considered as an additional port, but not as a replacement of the HDMI port.</p> <p>4. For reference, the “List of Addresses of DBM Central and Regional Offices” is attached herewith as Annex A.</p>

Other matters:

- The “No Contact Rule” shall be strictly observed. Bidders are not allowed to call or talk to any member of the Bids and Awards Committee, Technical Working Group or Secretariat effective April 6, 2021 right after the opening of bids.
- For guidance and information of all concerned.
