STRATEGIC OBJECTIVES

MANDATE

Section 4. Republic Act 7884. National Dairy Development Act. The National Dairy Authority (NDA) shall be the central policy determining and directing body tasked to ensure the accelerated development of the Philippine dairy industry through policy direction and program coordination and implementation.

VISION

A vibrant local dairy industry providing wholesome, affordable milk to delighted consumers, building a nation of healthier children and wealthier farmers.

MISSION

Accelerate dairy herd build-up and milk production
Provide excellent technical delivery service packages that enhance dairy business at the farm and enterprise levels
Promote consumption of local milk through increased coverage of milk feeding programs that help in reducing malnutrition
Mobilize broad support for local milk

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Improved food security through the availability of locally produced milk in the market and increased rural incomes.

ORGANIZATIONAL OUTCOME

1. Growth and competitiveness of the dairy sector sustained/enhanced
2. Increased incomes in the dairy sector

PERFORMANCE INFORMATION

KEY STRATEGIES

Infusion of dairy animals through importation
Upgrade local stocks into dairy breed
Invite Public-Private Partnerships in all levels of the value chain
Promote the consumption of locally produced milk and premium milk products
Empowerment of dairy farmers through dairy trainings and the provision of technical and logistical support
Establishment of new dairy farms, processing facilities and installation of dairy equipment and machineries
Implementation of climate change adaptation projects

A.2. PHILIPPINE CROP INSURANCE CORPORATION

### STRATEGIC OBJECTIVES

### MANDATE

Presidential Decree (P.D.) No. 1467 (June 11, 1978), as amended by P.D. No. 1733 (October 21, 1980) and Republic Act No. 8275 (December 29, 1995). To provide insurance protection to agricultural producers particularly the subsistence farmers from crop losses arising from natural calamities and pest and diseases, and non-crop agricultural assets losses due to perils that assets have been insured against.
VISION

The Philippine Crop Insurance Corporation (PCIC) is envisioned as:

A viable service-oriented government institution attending to every insurance need of subsistence farmers and other agricultural stakeholders with utmost professionalism, integrity and efficiency.

A corporate body working with strong network of insurance and agricultural intermediaries in the spirit of partnership and oneness of purpose.

A key factor in realization of vibrant and progressive rural economy where Filipino farmers work with peace of mind under the protective mantle of agricultural insurance.

MISSION

PCIC as an agricultural insurer is committed to help stabilize the income of agricultural producers and promote the flow of credit in the countryside by:

Providing insurance protection to qualified farmers and other agricultural stakeholders against losses of their crops and produce, including their farm machineries and equipment, transport facilities and other related infrastructures arising from natural calamities, pests and diseases, and other perils beyond their effective control.

Extending innovative and client responsive insurance packages and other services thru peoples’ organizations including farmers’ cooperatives, agricultural lenders and service providers.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Rate of poverty incidence decreased

ORGANIZATIONAL OUTCOME

Agricultural crop insurance coverage attained and sustained

PERFORMANCE INFORMATION

KEY STRATEGIES

Development of agricultural insurance schemes that provides premium subsidies
Efficient and effective implementation of agricultural insurance
Introduce innovative risk-transfer mechanisms such as weather based / index insurance systems
Expand network of partnership with agricultural lenders
Increase of the corporation capital base

A.3. PHILIPPINE FISHERIES DEVELOPMENT AUTHORITY

STRATEGIC OBJECTIVES

Mandate

Identify and determine the sites for the establishment of fishing port complexes and prepare, adopt and implement comprehensive plans for their overall development, including the specifications for infrastructure facilities, such as piers, wharves, quays, landings, anchorages and breakwaters in coordination with the Department of Public Works and Highways, and civil works, such as factory buildings, warehouses, cold storage and ice plants, and other structures related to the fishing industry as may be necessary and useful in the conduct of its business.

Vision

A dynamic and viable government corporation that provides services, contributing to the country’s food security by supporting an environmentally sustainable and competitive fishing industry through technologically advanced post-harvest facilities and infrastructure.

Mission

To establish, operate and maintain strategic and globally competitive fishery post-harvest structures and facilities, as well as provide market information and related services:

To conduct operations prudently, providing viability and financial growth to assure continuous improvement of port facilities and delivery of service;

To satisfy stakeholders’ business needs with timely and quality service; and

To work as a team with skill and dedication in an environment that ensures growth opportunities.

Key Result Areas

Rapid, Inclusive and Sustainable Economic Growth

Sector Outcome

Growth in Agriculture and Fishery Sector

Organizational Outcome

Handling and distribution of fish and fishery products improved

A.4. PHILIPPINE RICE RESEARCH INSTITUTE

STRATEGIC OBJECTIVES

MANDATE

To sustain and further improve the gains already made in rice production

To improve the income and economic conditions of small rice farmers

To expand employment opportunities in the rural areas

To promote the general welfare of the people through self-sufficiency in rice production

VISION

A self-sufficient, sustainable, and competitive rice economy through a responsive rice R&D system and a strong, innovative science and technology base.

MISSION

To help the country attain rice self-sufficiency by increasing the productivity and profitability of rice farmers in a sustainable and competitive manner

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth
Integrity of the Environment and Climate Change Mitigation and Adaptation

SECTOR OUTCOME

Percentage of domestic rice consumption met through domestic production
Percentage change in average yield per hectare
Average rate of return on capital

ORGANIZATIONAL OUTCOME

Adoption of high-quality seeds of developed/released rice varieties, crop management and other component technologies increased

PERFORMANCE INFORMATION

KEY STRATEGIES

Research and development to contribute to the Philippine economy’s inclusive growth
ORGANIZATIONAL OUTCOMES (OOs) / PERFORMANCE INDICATORS (PIs)

Adoption of high-quality seeds of developed / released rice varieties, crop management and other component technologies increased

B. DEPARTMENT OF ENERGY

B.1. NATIONAL ELECTRIFICATION ADMINISTRATION

STRATEGIC OBJECTIVES

MANDATE

Total electrification on an area coverage basis and competence enhancement of electric distribution utilities in a deregulated environment.

VISION

Total electrification on an area coverage basis by 2020.

MISSION

To pursue the mandate of rural electrification and provide financial, institutional and technical assistance to Electric Distribution Utilities to make them highly competitive in delivering quality service.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Percentage of Filipino households that have access to electricity

ORGANIZATIONAL OUTCOME

Access to electrification expanded
PERFORMANCE INFORMATION

B.2. NATIONAL POWER CORPORATION

STRATEGIC OBJECTIVES

MANDATE

Section 70. RA No. 9136. Perform missionary electrification function through the Small Power Utilities Group (SPUG) and shall be responsible for providing power generation and associated power delivery systems in areas that are not connected to the transmission system.

Sec. 5(q). Rule 21 of RA No. 9136 IRR. Operate and maintain undisposed generating assets, including Agus and Pulangui complexes.

Sec. 6. Rule 23 of RA No. 9136 IRR. Continue to be responsible for watershed rehabilitation and management.

VISION

With social progress as our ultimate goal, we shall be a partner in nation building. We shall electrify the country to its farthest communities and manage our assets to ensure their sustainability. We commit to continuously improve ourselves to better serve the public. All these for God and country.

MISSION

We play a vital role in the electric power industry. With our wealth of experience and technical expertise, we lead in uplifting the quality of life in the country and its islands.

We extend the same values of sustainability, reliability and safety to the management of power systems, dams and watershed areas.

This is our commitment to the Filipino people.

KEY RESULT AREAS

Rapid, Inclusive, and Sustained Economic Growth

SECTOR OUTCOME

Percentage of Filipino household in missionary areas served
No. of missionary area energized
Energy sale delivered in the main grid
No. of main grid power customer
Volume of water supplied for domestic, irrigation and electricity
Percentage of water supplied for irrigation
ORGANIZATIONAL OUTCOME

1. Reliable Electricity Supply in Small Power Utilities Group (SPUG) Areas Achieved
2. New SPUG Consumers Served

PERFORMANCE INFORMATION

KEY STRATEGIES

Install 52.4 MW genset rental and additional power capacity of 23,965 KW
Preconstruction activities for transmission lines and substations for off-grid areas
Improvement in operational reliability indices in the off-grid areas in 2015
Efficiently operate and maintain NPC’s undisposed generating assets
Achieve 7,700 tons/year in carbon sequestrations in support of climate change mitigation

<table>

C. DEPARTMENT OF FINANCE

C.1. PHILIPPINE DEPOSIT INSURANCE CORPORATION

STRATEGIC OBJECTIVES

MANDATE

Republic Act (R.A) No. 3591 as amended by R.A No. 9576 mandated PDIC to provide permanent and continuing deposit insurance coverage for the depositing public to help promote public confidence and stability in the economy.

Ensures prompt payment of insured deposits, exercises complementary supervision of banks, adopts responsive resolution methods, and applies efficient management of receivership and liquidation functions.

VISION

World-class organization in depositor protection

MISSION

To provide permanent and continuing deposit insurance coverage for the depositing public.
Exercise complementary supervision of banks, adopt responsive resolution methods, ensure prompt settlement of insured deposits and apply efficient management of receivership and liquidation functions so that the Corporation can contribute to the promotion of public confidence and financial stability in the economy.

KEY RESULT AREAS

Transparent, Accountable, and Participatory Governance
Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Financial system made resilient and inclusive

ORGANIZATIONAL OUTCOME

Depositor Confidence and Stability in the Financial System Maintained

PERFORMANCE INFORMATION

KEY STRATEGIES

Early detection of bank weaknesses and fraud to prevent bank failure especially through fraud or mismanagement.
Strengthening the organization and enhance the financial service capabilities of PDIC.
Legislative agenda to pursue Closed Bank Liquidation Act (CBLA), exemptions to the secrecy of deposits, immunity from suit against the PDIC personnel in the carrying out of duties.
Communication with the depositing public, the banks and other stakeholders through regular dialogues, speaking engagements and the media.
Liquidation of non-financial assets.

D. DEPARTMENT OF HEALTH

D.1. LUNG CENTER OF THE PHILIPPINES

STRATEGIC OBJECTIVES

MANDATE

To provide the Filipino people state of the art specialized care for lung and other chest diseases

VISION

To be the premier institution for lung and other chest diseases by providing quality health care through excellent service, training and research

MISSION

To provide quality health care through upgraded facilities by highly reliable and efficient staff for the improvement of quality of life of the Filipino people

To provide immediate attention to every individual in need regardless of creed, color, sex, social-economic status and political affiliation

To achieve financial stability and long term sustainability

Dedicated to lung health promotion and advocacy

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

SECTOR OUTCOME

Improved Health Care Services

ORGANIZATIONAL OUTCOME

Access to quality and affordable pulmonary health care assured

PERFORMANCE INFORMATION

KEY STRATEGIES

Maximizing the application of Bio-Regenerative (Stem Cell) Technology Program

Advocacy on the intensive study in the treatment and cure of Lung diseases particularly lung cancer and Multi-Drug Resistant Tuberculosis (MDRTB) through Bio-Regenerative Program
Activate the Nuclear Medicine Services

Continuous implementation of Preventive Promotive Programs related to Pulmonary Diseases

D.2. NATIONAL KIDNEY AND TRANSPLANT INSTITUTE

STRATEGIC OBJECTIVES

Mandate

To construct, establish, equip, maintain and operate a medical institution with an integrated three-fold mission of service, training, and research with specialization in the prevention, diagnosis and treatment/rehabilitation and relief of kidney and allied diseases.

Vision

To continue to be the lead tertiary specialty center for renal diseases and organ transplantation in the Philippines and Asia which provides the highest level of training, research, and treatment in dialysis and organ transplantation (kidney, liver, pancreas, cell and bone marrow).

To be the major resource for the upliftment of medical services for government/private hospitals by attaining financial stability, upgrading and maintaining our facilities and providing continuing medical education to enhance the skills of our specialists and workers.
MISSION

To work hand-in-hand with the government for the good health of the Filipino people by providing specialized medical services specifically in the prevention and treatment of end-stage renal diseases and other end-stage organ failure through dialysis and transplantation.

To pursue excellence in developing and establishing the highest level of training and research for physicians and paramedical personnel in areas of treatment in dialysis, kidney, liver, pancreas, cell and bone marrow transplantation.

To assist other government/private hospitals to develop and set-up dialysis and transplantation units, especially outside Metro Manila.

To create a work environment that encourages teamwork, recognizes individual worth, and rewards outstanding performance.

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

SECTOR OUTCOME

Improved Health Care Services

ORGANIZATIONAL OUTCOME

Access to quality and affordable renal health care assured

PERFORMANCE INFORMATION

KEY STRATEGIES

Provision of specialized medical and surgical services to patients suffering from kidney and allied diseases.

D.3. PHILIPPINE CHILDREN’S MEDICAL CENTER

STRATEGIC OBJECTIVES

MANDATE

Presidential Decree No. 1631 mandates the Philippine Children’s Medical Center to promote scientific research and provide medical services for the prevention and treatment of pediatric diseases.

VISION

To be the leader in pediatric medicine in the Philippines, in service, training and research.

To be a self-reliant institution devoted to quality pediatric healthcare.

MISSION

To deliver the most responsive service to patients.

To train the people to foster intellectual development and conduct collaborative research to achieve best health outcomes and to protect the vulnerable Filipino children.

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

SECTOR OUTCOME

Improved Health Care Services

Percentage of completed medical research published in a recognized journal or specialty societies or adopted by health sector 53%
Percentage of medical research projects completed within the original proposed timeframe 90%

MFO 3: Education and Training for Health Professionals

Number of graduates of specialization course in pediatrics 90%
Percentage of trainees who rated the training course as good or better 100%
Percentage of applications for training course slots acted upon within 2 weeks 100%

D.4. Philippine Heart Center

STRATEGIC OBJECTIVES

Mandate

Presidential Decree No. 673 mandates the Philippine Heart Center (PHC) to operate and maintain a heart center for the public welfare. Likewise, the PHC shall promote, encourage and engage in scientific research on the prevention of cardio-vascular diseases and the care and/or treatment of heart patients, and shall encourage and undertake the training of physicians, nurses, medical technicians, health officers and social workers on the practical and scientific conduct and implementation of cardiac services.

Vision

The PHC is a leader in upholding the highest standard of cardiovascular care, a self-reliant institution that responds to the health needs of the Filipino people.

Mission

Driven by the shared desire to improve the health status of the Filipino people, the PHC shall provide comprehensive cardiovascular care enhanced by education and research that is accessible to all.

Key Result Areas

Poverty Reduction and Empowerment of the Poor and the Vulnerable

Sector Outcome

Improved Health Care Services

Organizational Outcome

Access to quality and affordable cardiovascular services assured
PERFORMANCE INFORMATION

KEY STRATEGIES

The Philippine Heart Center will continuously monitor the efficiency of its services to serve more patients at less cost and improve tools in determining appropriateness of recipients of free services through strategies, such as: pre-admission counseling; utilization review on the strategy framework for proper allocation and quality patient care; in-house surgical mission Mondays for service patients and expand clinical pathways program. Implementation of strict antibiotic prophylaxis protocols and care bundles shall also be undertaken in order to reduce overall hospital infection rate.

D.5. PHILIPPINE INSTITUTE OF TRADITIONAL AND ALTERNATIVE HEALTH CARE

STRATEGIC OBJECTIVES

MANDATE

To accelerate the development of traditional and alternative health care and to integrate traditional and alternative medicine into the health care delivery system.

VISION

Traditional and alternative health care are in the hands of the people.

MISSION

PITAHC upholds the right of every Filipino to better health through the provision of safe, beneficial, affordable and culturally-acceptable traditional and alternative health care products, services and technologies.

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable.
SECTOR OUTCOME

Human Development Status Improved

ORGANIZATIONAL OUTCOME

Traditional and Alternative Health Care (TAHC) products and services developed

PERFORMANCE INFORMATION

KEY STRATEGIES

Partnership and collaboration with public / private sector and the academy in the conduct of research and development on Traditional and Alternative Health Care (TAHC) products, services and technologies

Serves as venue and facility in the conduct of research and development on TAHC

Standards and guidelines formulation on the practice of TAHC modalities and their inclusion in the National Health Care Delivery system

- No. of projects implemented within the prescribed period vis-a-vis programmed projects

F.2. CENTER FOR INTERNATIONAL TRADE EXPOSITIONS AND MISSIONS

STRATEGIC OBJECTIVES
MANDATE

To market and promote the Filipinos as a reliable source of quality export products and services in the global market through trade fairs and missions and other export promotions programs.

VISION

By 2016, Center for International Trade Exhibitions and Missions (CITEM) will have created a distinct "Philippines" brand.

MISSION

CITEM is committed to develop and nurture globally competitive Philippine SMEs, exporters, designers, and manufacturers by implementing an integrated approach to export marketing in partnership with other organizations.
KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Increment change in the export orders reported by participating companies

ORGANIZATIONAL OUTCOME

Export Promotions Enhanced

PERFORMANCE INFORMATION

KEY STRATEGIES

Optimize use of public funds for SME development
Expand revenue generating capability for financial sustainability
Provide a unique sourcing and selling experience
Provide SME professional and global platform
Offer products known for quality, design, and craftsmanship
Reinvent the CITEM brand as the 'Quality Seal' for Philippine exporters
Develop globally competitive SME's through holistic Export Coaching Program(ECP)
Strengthen relationship with exhibitors and buyers through Total Service Guarantee
Attain flexibility in the implementation of trade promotion activities
Create organizational synergies through a CITEM promotional blueprint
Build competencies starting with strategic units
Establish a fixed yet adaptive organizational structure
Support process improvement with appropriate technologies
Establish effective mechanism to ensure implementation of planned IMC

ORGANIZATIONAL OUTCOMES (OOs) / PERFORMANCE INDICATORS (PIs) | BASELINE | 2015 TARGETS
--- | --- | ---
Export Promotions Enhanced

Percentage of participating SMEs in export promotion activities increased 953 | Without IFEX - 5% (1,000)
1,526 | With IFEX - 5% (1,602)

Percentage of new participating SMEs increased 127 | Without IFEX 5% (133)
544 | With IFEX 5% (571)

Percentage increase in potential export orders increased US$ 179.8 million | Without IFEX 5% (US$ 188.46)
US$ 311.75 million | With IFEX 5% (US$ 327.34)

MAJOR FINAL OUTPUTS (MFOs) / PERFORMANCE INDICATORS (PIs) | 2015 Targets
--- | ---
MFO 1: TRADE PROMOTION ACTIVITIES

% increase in export order
% increase in number of SMEs participating in Export Promotions
% increase in trade buyers attending export promotions events
STRATEGIC OBJECTIVES

MANDATE

By virtue of Executive Order No. 603, the Light Rail Transit Authority was created to be primarily responsible for the construction, operation, maintenance and/or lease of LRT Systems in the Philippines.

VISION

The recognized leader and expert in providing integrated urban rail transport systems of the country by 2017.

MISSION

To enhance public mobility and provide vital access to urban centers in the country through the development, design, construction, commissioning, operation and maintenance of world-class and integrated light rail transport systems with continued commitment to excellence in service while maximizing the opportunities for development and welfare of our employees as well as the social, economic and environmental benefits for the nation.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Access to markets and seamless interconnection of the entire country

G.2. PHILIPPINE NATIONAL RAILWAYS

STRATEGIC OBJECTIVES

MANDATE

The Philippine National Railways, being a factor for socio-economic development and growth, shall be part of the infrastructure program of the government and, as such, shall remain in and under government ownership during its corporate existence. The PNR must be administered with the view of serving the interest of the public by providing them the maximum of service and, while aiming at its greatest utility by the public, the economy of operation must be ensured so that service can be rendered at the minimum passenger and freight prices possible.

VISION

An improved, sustainable railway system running from Manila to Legaspi, carrying cargo to and from North Harbor and Batangas, providing commuter lines from Caloocan to Calamba and in Bicol, poised for a unified rail system in Luzon from Sorsogon to Ilocos branching to Cabanatuan and Tuguegarao. With a perspective study of transnational railroad system covering Luzon, Visayas and Mindanao; enjoying robust ridership and freight, providing accessible means of transport that's comfortable, secure, reliable and affordable to satisfied commuters-all these thru responsive PNR organization engaged in Public-Private-Partnership.

MISSION

The PNR shall provide safe, reliable and affordable railway services as a socio-economic development tool within the framework of the national infrastructure system, while ensuring sustainable operations so that optimum service can be rendered at minimum passenger and freight prices.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

H. NATIONAL ECONOMIC AND DEVELOPMENT AUTHORITY

H.1. PHILIPPINE INSTITUTE FOR DEVELOPMENT STUDIES

STRATEGIC OBJECTIVES

MANDATE

To develop a comprehensive and integrated research program that will provide the research materials and studies required for the formulation of national development plans and policies.

To serve as the common link between the government and existing research institutions wherein various research studies are discussed and evaluated.

To conduct and undertake research requested by government or agencies and to arrange for research to be conducted by other research institutions and individuals, locally and abroad.

To conduct joint studies with domestic research institutions in the academic, government and business sector.

To establish a repository for economic research information and other related activities.

VISION

The PIDS envisions itself to be at the forefront of setting the national agenda in policy research.

MISSION

To serve the interests of Filipino people through the provision of rigorous analyses of policy issues that can guide policymakers and leaders in decision making.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Effective and transparent governance practiced
Human development status improved
Higher economic growth and lower poverty incidence

ORGANIZATIONAL OUTCOME

Government policies and services, through the aid of policy research, improved
PERFORMANCE INFORMATION

KEY STRATEGIES

The Institute will continue to undertake studies of great importance to Philippine socioeconomic development particularly on present crucial and emerging issues.

---

Government policies and services, through the aid of policy research, improved

I. PRESIDENTIAL COMMUNICATIONS OPERATIONS OFFICE

I.1. PEOPLE'S TELEVISION NETWORK, INC.

---

STRATEGIC OBJECTIVES

MANDATE

To fully develop communication structures suitable to the needs and aspirations of the nation and in accordance with a policy that respects the freedom of speech and of the press.

Giving priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development.

Developing the broadcasting industry as a medium for the development, promotion and advancement of Filipino nationalism, culture and values that serve as an instrument in the struggle for Filipino sovereignty, identity, national unity and integration.

Harnessing the resources of the government and the private sector towards a close, continuous and balanced cooperation in order to take advantage of technological advances in the broadcasting industry.

Maintaining a broadcast industry system that serves as a vital link for participative democracy and effective government information dissemination through developmental communication, free from any political or partisan influence and held accountable directly to the people.

Encouraging the development and broadcast of balanced programs which feature, among others, educational, wholesome entertainment, cultural, public affairs and sports and providing quality alternative programs for the benefit and moral upliftment of the citizenry.
VISION

Through PNRI's quality programs and services, the Network envisions that the Filipino People are informed and committed partners in the pursuit of personal and national aspirations that bring goodwill to God, country and humanity.

MISSION

PNRI shall endeavor to inform, inspire and empower the People and Nation through relevant, trustworthy and world-class quality television programs and services.

KEY RESULT AREAS

Transparent, Accountable, and Participatory Governance

SECTOR OUTCOME

Informed Citizenry

J.3. CULTURAL CENTER OF THE PHILIPPINES

STRATEGIC OBJECTIVES

MANDATE

Promotion and preservation of Filipino art and culture

VISION

Art matters to the life of every Filipino

MISSION

Be the leading institution for arts and culture in the Philippines by promoting artistic excellence and nurturing the broadest public to participate in art making and appreciation.

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

SECTOR OUTCOME

Equitable Access to Quality Social Services

ORGANIZATIONAL OUTCOME

Arts and Culture, education, appreciation and awareness improved
PERFORMANCE INFORMATION

KEY STRATEGIES

Establish the CCP as the center of music theater production and training in the Asia Pacific region by capitalizing on the finest artists and repertoire presented by the season of the resident companies, CCP productions, and co-productions.

Expand the pre-eminent CCP festivals to become metro or nationwide by involving local city governments and the private-sector in the presentation of arts and culture events.

Make the CCP a must-see, must-visit destination in the Philippines and in the Asia Pacific region by creating language accessible regular attractions.

Build a role in education and poverty alleviation by aligning the arts programs with the national agenda on development.

Leverage the CCP's brand presence and network to raise awareness and engage the broader publics in every phase of the transformation of the complex into a major cultural and eco-tourism destination in the Southeast Asian region.

NOTE: Exclusive of Targets funded from other sources, e.g. Special Account in the General Fund.
J.4. DEVELOPMENT ACADEMY OF THE PHILIPPINES

STRATEGIC OBJECTIVES

MANDATE

To foster and support the development forces at work in the nation's economy through selective human resources development programs, research, data-collection, and information services to the end that optimization of wealth may be achieved in a manner congruent with the maximization of public security and welfare.

To promote, carry on and conduct scientific, interdisciplinary and policy-oriented research, education, training, consultancy, and publication in the broad fields of economics, public administration, and the political and social sciences bearing upon development concerns of local, national or international significance.

To discharge a regional role in initiating and catalyzing exchange of ideas and expertise on development activities in Asia and the Far East.

VISION

An internationally recognized institution producing top-notch Public Managers as well as strategic and innovative research in Public Sector effectiveness and enhancing National Productivity.

MISSION

To train senior government officials to be highly effective.

To conduct strategic and innovative research in public sector efficiency including fostering organizational innovations.

To provide technical assistance along the lines of public sector efficiency and national productivity.

To serve as nexus for catalyzing the exchange of ideas and expertise in productivity and development in Asia and the Pacific.

KEY RESULT AREAS

Transparent, Accountable and Participatory Governance

SECTOR OUTCOME

Effective and Transparent Government Practiced

ORGANIZATIONAL OUTCOME

1. Improved effectiveness and efficiency of public sector organizations e.g. NGAs assisted
2. Improved competence of officially graduated/trained individuals of public sector organizations e.g. NGAs

PERFORMANCE INFORMATION

KEY STRATEGIES

ACCOUNTABLE GOVERNANCE
Increase organizational capacities of LGUs, national line agencies and other government institutions for improved service delivery
Enhance the technical, managerial and leadership capabilities of key personnel groups for development
Develop integrity in key agencies of government
Incorporate disaster risk management and climate change adaptation issues in building sustainable communities
NATIONAL PRODUCTIVITY AND COMPETITIVENESS
Assist in redefining vital service delivery processes toward quality improvements
Promote the adoption of productivity concepts and best practices
Facilitate the effective implementation of a national competitiveness program
Institutionalize knowledge management systems in the public sector
Intensify research for innovation

POLICY AND PROGRAM REFORMS
Promote policy review and revisions in support of the Philippine Development Plan (PDP)
Facilitate inter-agency partnership toward integrating and harmonizing policies and designing and implementing programmatic solutions
Advance organizational policy development in support of planned change

INTERNAL ORGANIZATIONAL SUSTAINABILITY
Continually strengthen the capacities of DAP to perform its role effectively
Develop a more sustainable business model

ORGANIZATIONAL OUTCOMES (OOs) / PERFORMANCE INDICATORS (PIs)  BASELINE  2015 TARGETS

Improved effectiveness and efficiency of public sector organizations e.g. NGAs assisted

| Proportion of client agencies assisted that institutionalized / adopted mandated DAP programs | RBPMS = 98% | RBPMS = 100% |

Improved competence of officially graduated / trained individuals of public sector organizations e.g. NGAs

J.S. NATIONAL FOOD AUTHORITY

STRATEGIC OBJECTIVES

MANDATE

Food security in staple cereals in times and places of natural or man-made calamity/emergency
Stabilization of staple cereal supply and prices
VISION

The National Food Authority as a government corporation shall be at the forefront in providing excellent needed services to the grains marketing industry towards global competitiveness and committed to ensuring food security.

MISSION

Pursue and accelerate the integrated growth and modernization of the food marketing industry

Provide excellent services towards attaining food security and the stabilization of the supply and prices of rice

Assist the food marketing industry move towards global competitiveness

Empower rice farmers

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Food staple sufficiency attained and sustained

ORGANIZATIONAL OUTCOME

Food Security for Rice and Corn Ensured

PERFORMANCE INFORMATION

KEY STRATEGIES

Maintain a minimum of 15-day Strategic Rice Reserve (SRR) year round.
Maintain at most 30-day rice buffer stocks by July 1 of every year inclusive of the 15-day SRR.

STRATEGIC OBJECTIVES

MANDATE

To be the primary secondary mortgage institution of the government.

VISION

To be the recognized authority and preferred partner of both public and private institutions in the development and operation of the secondary mortgage market. It shall be the major engine of growth in the housing industry by ensuring sustainable housing finance with high standards of excellence and professionalism by 2017.

MISSION

To be the government's major secondary mortgage institution, able to attract long term funds to provide strong and sustainable housing finance

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

SECTOR OUTCOME

Percentage of Filipino population that have permanent housing

ORGANIZATIONAL OUTCOME

Access to secure shelter financing of low-income families improved

PERFORMANCE INFORMATION

KEY STRATEGIES

Finance Perspective
   Design non-traditional financing schemes
   Develop long-term funding sources

Stakeholders Perspective
   Significantly increase number of empowered communities
   Expand collaborative arrangements
   Create widespread acceptability for fair shelter solutions

Internal Process Perspective
   Design, develop, deliver FAIR shelter solutions
   Integrate and upgrade support systems

Organization Perspective
   Develop responsive organization
   Elevate personnel competency

J.7. NATIONAL HOUSING AUTHORITY

STRATEGIC OBJECTIVES

MANDATE

PD 757 dated 31 July 1975. NHA was tasked to develop and implement a comprehensive and integrated housing program which shall embrace, among others, housing development and resettlement, sources and schemes of financing, and delineation of government and private sector participation.

EO 90 dated 17 December 1986. NHA was mandated as the sole national government agency to engage in shelter production focusing on the housing needs of the lowest 30% of the urban population.

RA 7279 (Urban Development and Housing Act) dated 24 March 1992. NHA was tasked to provide technical and other forms of assistance to Local Government Units (LGUs) in the implementation of their housing programs: to undertake identification, acquisition, and disposition of lands for socialized housing; and to undertake relocation and resettlement of families with local government units.

RA 7835 (Comprehensive and Integrated Shelter Financing Act) dated 08 December 1994. NHA was tasked with the implementation of the following components of the National Shelter Program - the Resettlement Program, Medium Rise Public and Private Housing, Cost Recoverable Program and the Local Housing Program.

VISION

Building Homes. Building Communities.

MISSION

To provide decent, adequate, and affordable housing to the greatest number of people and ensure the provision of social services and economic opportunities.

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

Integrity of the Environment and Climate Change Adaptation and Mitigation

SECTOR OUTCOME

Human development status improved

ORGANIZATIONAL OUTCOME

Adequate Housing for Homeless Low-Income Families Provided
PERFORMANCE INFORMATION

KEY STRATEGIES

Adoption of the Community Initiative Approach
Close coordination with program / project stakeholders

J.8. NATIONAL IRRIGATION ADMINISTRATION

STRATEGIC OBJECTIVES

MANDATE

Republic Act No. 3601 (June 22, 1963), as amended by Presidential Decree (P.D.) No. 552 (1974) and P.D. No. 1702 (1980). National Irrigation Administration (NIA) is empowered:

To investigate, study and develop all available resources in the country, primarily for irrigation purposes; to plan, design, construct and/or improve all types of irrigation projects and appurtenant structures; to operate, maintain and administer all national irrigation systems (NIS); to supervise the operation, maintenance and repair, or otherwise, administer temporarily all communal irrigation systems (CIS) and pump irrigation systems (PIS) constructed, improved and/or repaired wholly or partially with government funds and to delegate the partial or full management of NIS to duly organized cooperatives or associations.

To charge and collect from the beneficiaries of all irrigation systems constructed by or under its administration such fees or administration charges as may be necessary to cover the cost of operation, maintenance and insurance; and to recover the cost of construction within a reasonable period of time to the extent consistent with government policy; to recover funds or portions thereof expended for the construction and/or rehabilitation of CIS which shall accrue to a special fund for irrigation development.

VISION

Nationwide existence of efficient irrigation systems that are environmentally sound and socially acceptable; located in strategic agricultural areas; capably managed by viable and dynamic Irrigators Associations; profitably producing good quality rice and diversified crops; progressively improving the welfare of the farm families, the rural communities; and sustainably supporting the food production program of the government.

NIA transformed into a financially independent organization that operates at its full potential with its employees enjoying compensation and benefits comparable with other service-oriented government corporations attaining its prominence as a leader in irrigation management in the Asian region, and attaining excellence as a well-managed government corporation.
MISSION

Development and management of water resources for irrigation and provision of necessary services on a sustainable basis consistent with the agricultural development program of the government.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth
Integrity of the Environment and Climate Change Adaptation and Mitigation

SECTOR OUTCOME

Percentage increase in the average yield per hectare
Percentage of Philippine domestic rice consumption met from domestic production

ORGANIZATIONAL OUTCOME

Irrigation facilities and services enhanced

PERFORMANCE INFORMATION

KEY STRATEGIES

Protect the irrigation facilities and irrigated areas, with programs also to protect critical watersheds serving the existing irrigation systems
Focus and accelerate the implementation of Institutional Management Transfer of NIS secondary canals to the irrigators’ associations’ management towards improved and efficient operation and maintenance works
Discourage conversion of irrigated lands including potential areas for irrigation development

ORGANIZATIONAL OUTCOMES (OOs) / PERFORMANCE INDICATORS (PIs)  |  BASELINE  |  2015 TARGETS
--- | --- | ---
Irrigation facilities and services enhanced  |  |  
Percentage increase in the number of farmer beneficiaries  | 1,024,897  | 10% (1,127,387)  
Cropping intensity (NIS and CIS)  | 175%  | 178%  
Percentage increase in the irrigated areas:
  a. Dry season (NIS and CIS)  | 864,207 has.  | 6% (916,059 has.)  
  b. Wet season (NIS and CIS)  | 905,173 has.  | 4% (941,380 has.)

MAJOR FINAL OUTPUTS (MFOs) / PERFORMANCE INDICATORS (PIs)  |  |  2015 Targets
--- | --- | ---
MFO 1: IRRIGATION NETWORK SERVICES  |  |  
Number of hectares serviced by irrigation systems under management - National Irrigation Systems - Covered Irrigated Areas per cropping - Wet Season (Has)  | 619,528  |  
Number of hectares serviced by irrigation systems under management - National Irrigation Systems - Covered Irrigated Areas per cropping - Dry Season (Has)  | 606,471  |  
Total number of farmer beneficiaries  | 572,423  |  
Kilometers of canal networks under management - Main Canal - Lined Canal (Km)  | 1,380  |  
Kilometers of canal networks under management - Main Canal - Earth Canal (Km)  | 2,839  |  
Kilometers of canal networks under management - Lateral Canal - Lined Canal (Km)  | 2,616  |  
Kilometers of canal networks under management - Lateral Canal - Earth Canal (Km) 8,179
% of national irrigation systems subjected to maintenance inspection and repair more than once in the last two years 100%
% of irrigation systems compliant to cropping calendar 100%
% of farmers who rate the timeliness of delivery of water as satisfactory or better 80%
% rating on irrigation service fee (IFS) collection versus total irrigation service fee receivable (For Current Account) 65%

MFO 2: CONSTRUCTION OF IRRIGATION PROJECTS AND REPAIRS OF IRRIGATION SYSTEMS

Number of irrigation projects and systems covered for the year - National Irrigation Systems 82
Number of irrigation projects and systems covered for the year - National Irrigation Projects 44
Number of irrigation projects and systems covered for the year - Communal Irrigation Systems 477
Number of irrigation projects and systems covered for the year - Communal Irrigation Projects 365
% of clients who rate quality of construction as good or better 75%
% of requests for construction of irrigation systems/projects that are acted upon within 60 days 80%
% of construction projects completed within the original project timeframe 80%

J.9. PHILIPPINE CENTER FOR ECONOMIC DEVELOPMENT

STRATEGIC OBJECTIVES

MANDATE

Presidential Decree No. 453 mandates the Philippine Center for Economic Development to provide financial and moral support to the research, training and other programs of the School of Economics of the University of the Philippines.

VISION

To promote and sustain the establishment of an economic development research institution that is responsive to the needs of the government and society at large.

MISSION

To give financial and moral support to the research, teaching, training and other programs of the School of Economics of the University of the Philippines.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Human development status improved
Improved access and enhanced knowledge of society to economic research information

ORGANIZATIONAL OUTCOME

Capacity of University of the Phils. School of Economics (UPSE) to undertake its academic functions at a larger scale sustained

PERFORMANCE INFORMATION

KEY STRATEGIES

Establish partnership with other government agencies and development partners to exploit potential synergies with these institutions and raise added resources for its activities.

J.10. PHILIPPINE COCONUT AUTHORITY

STRATEGIC OBJECTIVES

MANDATE

To oversee the development of the coconut and other palm oil industry in all its aspects and ensure that the coconut farmers become direct participants in, and beneficiaries of, such development and growth

VISION

Philippine Coconut Authority as an Entrepreneurial Development Authority

MISSION

To promote the development of a globally competitive coconut and other palm oil industry that would contribute to food security, improved income and enhanced participation of stakeholders

KEY RESULT AREAS

Rapid, Inclusive, and Sustained Economic Growth

SECTOR OUTCOME

Productivity and production increased
ORGANIZATIONAL OUTCOME

Growth and competitiveness of the coconut industry enhanced

PERFORMANCE INFORMATION

KEY STRATEGIES

Integrated Coconut Pest and Disease Control (Quick Response Action Program) involves preventive and timely application of control measures to avoid pest and disease outbreak, regular pest and disease monitoring and surveillance in major coconut regions particularly in pest and disease-prone areas, public awareness and information campaign of existing pest and disease problems (i.e., scale insect, cadang-cadang, rhinoceros beetle, brontispa, phytophthora, bud rot) and among others.

Regulatory Services cover regulatory, legal, surveillance, enforcement, quarantine and e-transactions to satisfy domestic and international standards for quality and safety of coconut and its by-products. It also involves trade information and development assistance that comprises data base development, trade information services, industry liaison / networking and trade assistance / facilitation to provide PCA clientele market / price data for decisions-making and venue for customer complaints.

Copa Quality Improvement Project is geared to arrest the high incidence of aflatoxin in copra meal and PAH (Polycyclic Aromatic Hydrocarbons) in coconut oil by ensuring conformity with prevailing international quality standards.

ORGANIZATIONAL OUTCOMES (OOs) / PERFORMANCE INDICATORS (PIs)                      BASELINE                      2015 TARGETS

Growth and competitiveness of the coconut industry enhanced

| Increase in recovery rate | 0.865 MT / ha | 0.880 MT / ha |
| Increase in average coconut farmers' annual income per hectare | P26,577.11 | P 38,276.15 |

MAJOR FINAL OUTPUTS (MFOs) / PERFORMANCE INDICATORS (PIs)                      2015 Targets

MFO 1: FARM PRODUCTION AND EXTENSION

Farmers' Education and Skills Training Program

| No. of persons provided with training | 354,391 |
| No. of training days provided (average) | 3 |
| Percentage of training participants who rate the training as good or better | 90% |

MFO 2: MARKET RESEARCH AND TRADE REGULATION

Monitoring

| No. of provinces (managed areas) | 84 |

Enforcement

| No. of samples analyzed | 1,500 |

NOTE: Exclusive of Targets funded from other sources, e.g. Special Account in the General Fund.
J.II. PHILIPPINE POSTAL CORPORATION

STRATEGIC OBJECTIVES

MANDATE

To provide for the collection, handling, transportation, delivery, forwarding, returning and holding of mails, parcels, and like materials throughout the Philippines, and pursuant to agreements entered into, to and from foreign countries: to determine and dispose of, in a manner it deemed most advantageous, with law and settled jurisprudence, confiscated or non-mailable mail matters, prohibited articles, dead letters and undeliverable mails, except the sale of prohibited drugs, dangerous materials, and other banned article as defined by law; and to plan, develop, promote and operate a nationwide postal system with a network that extends or make available at least ordinary mail service to any settlements in the country.

VISION

The Philippine Postal Corporation is the preferred universal service provider for the delivery of communications, goods and financial services.

MISSION

The PPC shall serve with excellence the Filipino nation and the global community. It shall guarantee nationwide competitive, efficient, secured, reliable and on-time delivery services. It shall operate profitably and innovatively. It shall fulfill its mandate to ensure employee's welfare and contribute to the country's socio-economic development.

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Percentage change in variance of regional GDPs

ORGANIZATIONAL OUTCOME

Enhance the efficient and on-time delivery of communications, goods and payment services

PERFORMANCE INFORMATION

KEY STRATEGIES

Continuous service quality improvement
Customer service management
Knowledge, competencies and skills development
Human resource performance and productivity maximization
Market recovery and expansion
Product / services innovation

J.12. SOCIAL HOUSING FINANCE CORPORATION

STRATEGIC OBJECTIVES

MANDATE

To implement social housing programs that will cater to the formal and informal sectors in the low-income bracket

To develop and administer social housing programs, particularly the Community Mortgage Program (CMP)

VISION

To be the catalyst and provider of flexible, affordable, innovative and responsive (FAIR) shelter solutions to the homeless and low-income communities by 2022.

MISSION

To empower and uplift the living conditions of underprivileged communities by providing FAIR shelter solutions.

To build strong partnerships with the national and local government as well as the private sector and Civil Society Organizations (CSOs), for the attainment of affordable housing.

To support the underprivileged communities' housing initiatives.

KEY RESULT AREAS

Poverty Reduction and Empowerment of the Poor and Vulnerable

Integrity of the Environment and Climate Change Adaptation and Mitigation

SECTOR OUTCOME

Percentage of Filipino population that have permanent housing
ORGANIZATIONAL OUTCOME

Access to secure shelter financing of low-income families improved

J.13. SOUTHERN PHILIPPINES DEVELOPMENT AUTHORITY

STRATEGIC OBJECTIVES

MANDATE

To promote the development of Southern Philippines by initiating and/or undertaking by itself or otherwise, development and/or business project of corporate and economic in nature whether in agriculture, power, infrastructure, energy, public utilities, land development, manufacturing, exploration and/or utilization of natural resources and other field of projects.

VISION

Foster and accelerate the balanced growth of Southern Philippines within the context of the national plans and policies by the activation of mass participation in the process of development to be exercised through a unified responsive agency.

MISSION

To make investments in any field that would enhance the economic development of the region

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Percentage change in regional Gross Domestic Product
J.14. ZAMBOANGA CITY SPECIAL ECONOMIC ZONE AUTHORITY

STRATEGIC OBJECTIVES

MANDATE

To develop the ZAMBOECOZONE into a decentralized, self-reliant and self-sustaining agro-industrial, commercial, financial, investment and tourist center and freeport with suitable retirement and residential areas. Likewise, to provide the ZAMBOECOZONE with transportation, telecommunications and other facilities needed to attract legitimate and productive foreign investments, generate linkage industries and employment opportunities for the people of Zamboanga City and its neighboring towns and cities.

VISION

An economic zone and freeport as the hub for economic activities and a springboard for the promotion of trade, investment and tourism in the city and the region, thus, bringing about socio-economic upliftment.

MISSION

To encourage the private sector to grasp the opportunities which shall increase the capabilities for growth and develop linkages

To monitor the enforcement of the Implementing Rules and Regulations of RA 7903 and coordinate with other agencies to facilitate the traffic of business

To foster economic and technical cooperation in the areas of human development, infrastructure development, development of small and medium enterprises (SMEs) and environmental protection and management

KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

SECTOR OUTCOME

Increase in foreign direct investment
Increase in employment

ORGANIZATIONAL OUTCOME

No. of business located and operating within the economic zone increased

PERFORMANCE INFORMATION

KEY STRATEGIES

Infrastructure development of the 1st and 2nd Industrial Park, Highlands for basic utilities such as road, power and water.

K. RSGC - OTHERS

K.1. INTERCONTINENTAL BROADCASTING CORPORATION

STRATEGIC OBJECTIVES

MANDATE

It is mandated to provide adequate public service time to enable the government, through the said broadcasting stations or facilities, to reach the population on important public issues; provide at all times sound and balanced programming; assist in the functions of public information and education; conform to the ethics of honest enterprise; and not use its stations or facilities for the broadcasting of obscene and indecent language, speech, act or scene; or for the dissemination of deliberately false information or willful misrepresentation, to the detriment of the public interest, or to incite, encourage or assist in subversive or treasonable acts.

VISION

A network that is globally competitive, a leading light in the Philippine broadcast industry, propelled by proactive human resources, dedicated to providing programs that are socially relevant, wholesome, entertaining, informative and commercially viable, attentive to the needs of its stakeholders and committed to nation building under the guidance of the Divine Providence.

MISSION

To be able to maintain a truly responsible, respectable and stable commercial broadcasting organization serving the needs of the public and clients in the fields of information, education and entertainment for the Filipino viewers. To improve the network's positioning in the industry in order to maintain reasonable profit margin and growth rate commensurate to the demands and needs of the employees, stockholders and the communities it serves.

KEY RESULT AREAS

- Transparent, Accountable, and Participatory Governance

SECTOR OUTCOME

- Informed Citizenry

ORGANIZATIONAL OUTCOME

Public access and responsive dissemination of government programs through reliable TV network services, news and information program expanded.
