

I. NATIONAL TAX RESEARCH CENTER

STRATEGIC OBJECTIVES

MANDATE

The National Tax Research Center is mandated to conduct continuing research in taxation "to restructure the tax system and raise the level of tax consciousness among our people to achieve a faster rate of economic growth and to bring about a more equitable distribution of wealth and income".

VISION

Be recognized as the premier tax research institution attached to the Department of Finance (DOF); Be a more motivated and committed team of professionals that will continue to provide high quality research and technical assistance in taxation and other fiscal related matters to the DOF and other branches of the executive, legislature, local government units, the private sector and international institutions; and Be using state-of-the-art technology for information systems and processes.

MISSION

We are the government institution dedicated to promoting a tax system that will ensure a fair distribution of the tax burden among the Filipino taxpayers.

We are committed to recommend necessary improvements in the tax system by conducting quality research on taxation and to provide responsive staff support to fiscal policy makers.

We are also committed to provide opportunities for professional growth and to promote the well-being of our personnel.
