E. NATIONAL BUREAU OF INVESTIGATION

STRATEGIC OBJECTIVES

MANDATE

The National Bureau of Investigation (NBI) undertakes efficient detection and investigation of crimes and other offenses against the laws of the Philippines upon its own initiative and as public interest may require; renders technical assistance upon request in the investigation and detection of crimes and other offenses; coordinates with other national and local police agencies in the maintenance of peace and order; and establishes and maintains an up-to-date scientific crime laboratory. It acts as a national clearing house of criminal and other information for the use of all prosecuting and law enforcement entities of the Philippines. Identification records of identifying marks, characteristics and ownership or possession of all firearms as well as of test bullets fired therefrom.

VISION

A world class investigative institution - dynamic, respected, trusted and committed to the high ideals of law and order.

MISSION

To provide quality investigative and forensic services to the people through advanced methods and equipment in the pursuit of truth and justice.

KEY RESULT AREAS

Just and lasting peace and the rule of law

SECTOR OUTCOME

Rule of law

ORGANIZATIONAL OUTCOME

Efficient and effective investigations ensured

PERFORMANCE INFORMATION

KEY STRATEGIES

On Investigation:
1. The NBI plans to closely monitor cases assigned to agents through the implementation of the Case Information and Management System (CIMS). The system will track all cases filed with the NBI and the Director, its Directorial Staff and the Chief of the Division can look at the progress of the case investigation on a real time basis. The investigation agent on the other hand can update its case investigation log by going online and update the CIMS even at the crime scene.
2. The approval of the Rationalization Plan of NBI will guide us in the staffing pattern and will give direction as to what kind of cases should the NBI will handle.
3. The management is also looking on the modernizing and organizing the NBI through legislation. The Law that created the NBI was enacted in 1947.
On the issuance of the NBI Clearance:
4. The NBI envisioned that by 2015 the NBI will be running its own system. In order to increase its issuance the NBI plans to implement the electronic payment and online application to decongest the queuing at the NBI offices. It also plans to coordinate with the local government to bring the clearance system closer to the people.

On the Forensic Investigation:
5. The NBI plans to make the Forensic Crime Laboratory in Cebu be fully operational. To date the NBI is waiting for the completion of the new building being donated by the local government of Cebu to NBI. The forensic laboratory in the Visayas will greatly benefit the public people in the south. It will also increase the cases being examined by NBI.
