On the issuance of the NBI Clearance:
4. The NBI envisioned that by 2015 the NBI will be running its own system. In order to increase its issuance the NBI plans to implement the electronic payment and online application to decongest the queuing at the NBI offices. It also plans to coordinate with the local government to bring the clearance system closer to the people.

On the Forensic Investigation:
5. The NBI plans to make the Forensic Crime Laboratory in Cebu be fully operational. To date the NBI is waiting for the completion of the new building being donated by the local government of Cebu to NBI. The forensic laboratory in the Visayas will greatly benefit the public people in the south. It will also increase the cases being examined by NBI.
