E. TARIFF COMMISSION

STRATEGIC OBJECTIVES

MANDATE

The Tariff Commission is the primary government agency mandated to develop, formulate and recommend tariff policies and programs consistent with national economic objectives, and to enforce and administer the provisions of the Tariff and Customs Code. It is also mandated to investigate and decide on cases of unfair trade practices of dumping and subsidization by foreign countries, and of injurious surges of goods imported under fair trade conditions.

VISION

The TARIFF COMMISSION shall be the principal and independent authority on tariff, trade remedy measures and competition policy to enhance industry competitiveness and promote consumer welfare.

MISSION

The Tariff Commission, a key adviser to the executive and legislative branches of government on tariff and related matters, an independent adjudicatory body on trade remedy cases and an advocate of a strong competition law and policy, remains committed to the pursuit of good and effective governance. In the conduct of public hearings and consultations, we commit ourselves to balance with objectivity the interests of our stakeholders, including consumers. Where our competence in tariff commitments is required in relation to international trade, we work harmoniously with other agencies in promoting the national interest. We endeavor to secure the best for our staff, to hone their skills and develop to the fullest their potentials even as we instill in them the values of honesty, dignity and the pride inherent in working for country and people. The Tariff Commission discharges its duties and responsibilities with utmost competence and efficiency as a model of excellence and integrity in government service.
