### B. COMMISSION ON POPULATION

#### STRATEGIC OBJECTIVES

### MANDATE

Central policy-making, planning, coordinating and monitoring body of the national population program by virtue of R.A. 6365 of 1971, as amended by P.D. 79 of 1972

#### VISION

Responsible individuals, well-planned, prosperous healthy and happy families, empowered communities, guided by the Divine Providence living harmoniously and equitably in a sustainable development

#### MISSION

We are a technical and information resource agency, working in partnership with national and local government policy and decision-makers, program implementers, community leaders and civil society. We will be the leading strategic partners, policy and program advocates for the Population Program. We will create a favorable and enabling policy environment for Population, Responsible Parenthood and Reproductive Health. We are committed to: 1) Ensuring continuing high quality professional development programs for Population, Responsible Parenthood and Reproductive Health, which will enhance the competencies and strenghten the capabilities of local government units and our partners; and 2) Enabling men, women, couples and families to make responsible decisions to meet their expressed needs in the timing, spacing and number of children. Together, we will make champion their well-being. Together, we will make a difference.
