B. CIVIL AERONAUTICS BOARD

STRATEGIC OBJECTIVES

MANDATE

The Civil Aeronautics Board (CAB) is mandated by R.A. 776, as amended by P.D. 1462, to regulate, promote and develop the economic aspect of air transportation in the Philippines and vests the CAB with supervision, jurisdiction and control over all carriers in the Philippines, including their properties, equipment and facilities. This regulation involves assuring the fitness and capability of air carriers to render air transportation services, and assuring free, fair and healthy competition, with the end in view of attaining a fully developed air transportation network that provides adequate direct connectivities and air service availability that can support the requirements of trade, tourism and overall economic development.

VISION

It shall promote the Philippines as a regional key player in civil air transport - creating and developing service connections and tourism networks by adopting policies geared towards growth, fair competition, and public convenience.

MISSION

To provide business-friendly strategies in our policy framework by adopting international standards and best practices in the air transport industry, and to provide responsive regulation in processing operating rights, fares, rates and tariffs and all other permits related to air transport.

KEY RESULT AREAS
