# STRATEGIC OBJECTIVES

## MANDATE

The Public-Private Partnership Center was created with the primary functions of coordination and monitoring all PPP/BOT/PSP Programs and Projects including all variants and arrangements under the BOT Law and Joint-Venture Agreements; conduct project facilitation and assistance to the national implementing agencies including government corporations and Local Government Units (LGUs) in addressing impediments or bottlenecks in the implementation of PPP program and projects; provide advisory services, technical assistance, training and capacity development to agencies/LGUs in PPP project preparation and development; manage and administer a revolving fund known as the Project Development and Monitoring Facility; establish and manage a central database system of PPP programs and projects; and prepare reports on the implementation of the PPP program and projects of government for submission to the President at the end of each year.

## VISION

The Center shall serve as the champion of public-private partnerships for the country's inclusive growth and sustainable development.

## MISSION

The Center shall facilitate and optimize public-private partnerships in the country for the delivery of public infrastructure and other development services.

## KEY RESULT AREAS

Rapid, Inclusive and Sustained Economic Growth

# SECTOR OUTCOME

Accelerated Financing, Construction, Rehabilitation & Operation of Infrastructure and Development Projects.

#### ORGANIZATIONAL OUTCOME

Greater private sector participation in the PPP program achieved through a sustainable PPP deal flow

## PERFORMANCE INFORMATION

#### KEY STRATEGIES

- 1. Project Development and Advisory Assistance
- 2. PDMF Fund Utilization Efficiency and Manangement Improvement Program
- 3. Policy Development and Advocacy
- 4. PPP Projects Monitoring and Evaluation
- 5. Capacity Building, Development and Printing of Knowledge Products, PPP Knowledge Portal Operation and Maintenance, and Legal Advisory
