1. Agricultural Credit Facility. The amount of Two Billion Seven Hundred Thirty Four Million Two Hundred Sixty Seven Thousand Pesos (P2,734,267,000) appropriated herein for Agro-Industry Modernization Credit and Financing Program Administration includes the amount of Two Billion Seven Hundred Fifteen Million Pesos (P2,715,000,000) which shall be transferred to Government Financial Institutions (GFIs), cooperative banks, rural banks, thrift banks and non-government financial institutions, such as cooperatives, farmers and fisherfolk organizations, and agri-fishery-based corporations, to be used exclusively for the implementation of a flexible credit facility for the benefit of small farmers and fisherfolk registered under the Registry System for Basic Sectors in Agriculture, and agri-fishery-based micro- and small-enterprises (MSEs) as an alternative to the rigid and stringent credit facilities usually provided by banks. For this purpose, the Agricultural Credit Policy Council (ACPC), in coordination with GFIs, cooperative banks, rural banks, thrift banks, and non-government financial institutions shall formulate the guidelines for a streamlined and equitable access by the foregoing small farmers and fisherfolk, and agri-fishery-based MSEs to said credit facility.

2. Reporting and Posting Requirements. The ACPC shall submit quarterly reports on its financial and physical accomplishments, within thirty (30) days after the end of every quarter, through the following:

(a) URS or other electronic means for reports not covered by the URS until such time that all agencies have fully migrated to the BTMS; and

(b) ACPC's website.

The ACPC shall send written notice when said reports have been submitted or posted on its website to the DBM, House of Representatives, Senate of the Philippines, House Committee on Appropriations, Senate Committee on Finance, and other offices where the submission of reports is required under existing laws, rules and regulations. The date of notice to said agencies shall be considered the date of compliance with this requirement.
