H.7. DR. EMILIO B. ESPINOSA, SR. MEMORIAL STATE COLLEGE OF AGRICULTURE AND TECHNOLOGY

STRATEGIC OBJECTIVES

SECTOR OUTCOME

Lifelong learning opportunities for all ensured

ORGANIZATIONAL OUTCOME

- 1. Relevant and quality tertiary education ensured to achieve inclusive growth and access of poor but deserving students to quality tertiary education increased
- 2. Higher education research improved to promote economic productivity and innovation
- 3. Community engagement increased

PERFORMANCE INFORMATION

Relevant and quality tertiary education enzared to achieve inclusive growth and access of poor but deserving students to quality tertiary education increased HIGHER EDUCATION PROGRAM Outcome Indicators 1. Percentage of first-time licensure exam- takers that pass the licensure exam- takers that pass that licensure exam- takers that pass the licensure exam- takers that pass that licensure exam- takers that pass that licensure exam- takers that pass that licensure exam- takers that pass the licensure exam- takers that pass the licensure exam- takers that pass the licensure exam- takers that pass that licensure exam- takers that pass the licensure exam- takers that pass	ORGANIZATIONAL OUTCOMES (00s) / PERFORMANCE INDICATORS (PIs)	BASELINE	2021 TARGETS
Outcome Indicators 1. Percentage of first-time licensure exams 2. Percentage of graduates (2 years prior) 44% (228/522) 53% that are employed Output Indicators 1. Percentage of undergraduate students 100% enrolled in CRED-identified and RDC-identified priority programs 2. Percentage of undergraduate programs into accreditation Righer education research improved to promote economic productivity and innovation ADVANCED EDUCATION PROGRAM Outcome Indicators 1. Percentage of graduate school faculty engaged in research work applied in any of the following: a. pursuing advanced research degree programs (Ph.D) or b. actively pursuing in the last three (3) years (investigative research, policy research, social science research) or c. producing technologies for commercialization or livelihood improvement or	growth and access of poor but deserving students to quality tertiary		
1. Percentage of first-time licensure exams 2. Percentage of graduates (2 years prior) that are employed Output Indicators 1. Percentage of undergraduate students enrolled in CEED-identified and RDC-identified priority programs 2. Percentage of undergraduate programs 1. Percentage of undergraduate programs 2. Percentage of undergraduate programs 3. Percentage of undergraduate programs 3. Percentage of undergraduate programs 4. Percentage of undergraduate programs 4. Percentage of undergraduate programs 5. Percentage of undergraduate programs 6. Percentage of undergraduate school faculty engaged in research work applied in any of the following: a. pursuing advanced research degree 2.3% (5/22) b. actively pursuing in the last three (3) years (avestigative research, basic and applied scientific research, basic and applied scientific research, policy research, social science research) or c. producing technologies for commercialization or livelihood improvement or			
takers that pass the licensure exams 2. Percentage of graduates (2 years prior) that are employed Output Indicators 1. Percentage of undergraduate students enrolled in CHED-identified and RDC-identified priority programs 2. Percentage of undergraduate programs with accreditation Higher education research improved to promote economic productivity and innovation ADVANCED EDUCATION PROGRAM Outcome Indicators 1. Percentage of graduate school faculty engaged in research work applied in any of the following: a. pursuing advanced research degree programs (Ph.D) or b. actively pursuing in the last three (3) years (investigative research, posicia scientific research) or c. producing technologies for commercialization or livelihood improvement or	· · · · · · · · · · · · · · · · · · ·		
2. Percentage of graduates (2 years prior) that are employed Output Indicators 1. Percentage of undergraduate students 1. Percentage of undergraduate students 100% enrolled in CHED-identified and RDC-identified priority programs 2. Percentage of undergraduate programs with accreditation Higher education research improved to promote economic productivity and innovation ADVANCED EDUCATION PROGRAM Outcome Indicators 1. Percentage of graduate school faculty engaged in research work applied in any of the following: a. pursuing advanced research degree 23% (5/22) N/A programs (Ph.D) or b. actively pursuing in the last three (3) years (investigative research, basic and applied scientific research, policy research, social science research) or c. producing technologies for 0% (0/22) 7% (1/14) commercialization or livelihood improvement or		37%	40%
that are employed Output Indicators 1. Percentage of undergraduate students enrolled in CHED-identified and RDC-identified priority programs 2. 105 STATE UNIVERSITIES AND COLLEGES

Output Indicators 1. Percentage of graduate students enrolled in CHED-identified or RDC-identified	100%	100%
priority programs 2. Percentage of accredited graduate programs	67% (2/3)	100% (3/3)
RESEARCH PROGRAM		
Outcome Indicator		
1. Number of research outputs in the last	1	2
three years utilized by the industry or		
by other beneficiaries		
Output Indicators		
Number of research outputs completed within the year	41	44
2. Percentage of research outputs	46% (19/41)	59% (26 / 44)
presented in national, regional, and		
international fora within the year		
ommunity engagement increased		
TECHNICAL ADVISORY EXTENSION PROGRAM		
Outcome Indicator		
1. Number of active partnerships with LGUs,	13	18
industries, NGOs, NGAs, SMEs, and		
other stakeholders as a result of		
extension activities		
Output Indicators		•
1. Number of trainees weighted by the	4,285	4,550
length of training		40
2. Number of extension programs organized	6	12
and supported consistent with the SUC's		
mandated and priority programs 3. Percentage of beneficiaries who rate the	100%	100%
training course / s and advisory services	10070	10070
as satisfactory or higher in terms of
