SUBJECT : Guidelines on the Release of Funds for FY 2015

1.0 POLICY STATEMENT

To promote greater budget efficiency, all government agencies should execute their programs, activities and projects (P/A/Ps) and deliver planned results in a timely manner. For this purpose, the early submission of the details of agencies' 2015 plans and targets as reflected in their Budget Execution Documents (BEDs), has been prescribed on or before November 30, 2014 per National Budget Circular No. 555.

Likewise, the implementation of vital reforms during budget execution will be continued. These include the following: 1) **General Appropriations Act-as-Release-Documents (GAARD)** to facilitate the procurement process and bolster the efforts to minimize carry-over allotments in the succeeding year; 2) **Unified Accounts Code Structure (UACS)** to ensure efficient fund release, accounting and reporting of financial transactions by agencies; 3) **Performance-Informed Budgeting (PIB)** to make clear to the public and legislators the outputs and outcomes agencies are committing to deliver in exchange for their budgets; and 4) **Checkless Payment System (CPS)** through Advice to Debit Account (ADA) to settle government payables in a timely and transparent manner as well as ensure predictability of disbursements.

It is emphasized that non-issuance of NCAAs for availments of proceeds from loans/grants thru direct payments (already taken up as constructive payments BTr report) results to accounts payable build up in the agency books.

5.3.2.2 Departments/agencies/OUTs availing of foreign loan proceeds through the direct payment scheme (i.e., creditors/suppliers directly paid by the lending institution upon request of the Implementing Agency) shall ensure that requests for the issuance of NCAA be submitted to DBM, supported by the following documentary requirements:

Non-issuance of CDCs for actual utilization of retained income by FSPs (already taken up as revenue and disbursements per BTr report) results to unreconciled accounts between BTr and agency books.

5.3.3.2 The agency shall submit a request for issuance of CDC, supported with the following:

- Accountability reports as consolidated by the DFA or DOLE Home Office i.e., FSP Monthly Report of Income; and
- BTr certification on actual income collected.

5.4 Use of Excess Income

5.4.1 Agencies which are already authorized by law to retain a portion of their income collections for their operating requirements, however, are no longer qualified to avail of the use of excess income.

- 5.4.2 Excess income is generated once actual income collected and deposited by the OU with the BTr **during the current year** exceeds the revenue estimates under the FY 2015 BESF.
- 5.4.3 OUs may submit to DBM a request for use of excess income once its targeted revenue level for the year per FY 2015 BESF has been realized and exceeded. The reason(s) for generating excess revenues shall be highlighted in the request (e.g., collection of new fees and charges not considered in the original revenue estimate).
- 5.4.4 DBM shall consider the following in determining excess income:
 - 5.4.4.1 If excess revenue collections resulted from improved efficiency in operation or upgraded service delivery;
 - 5.4.4.2 If collections come from new fees and charges due to implementation of new or additional activity/program started during the year, hence not considered in the original income targets per FY 2015 BESF; and,
 - 5.4.4.3 If the estimated level of FY 2015 revenue of the OU per FY 2015 BESF is consistent with the normal trend of increases in actual collections for the past years.
