

## FOREWORD

The **Index of Occupational Services, Occupational Groups, Classes and Salary Grades (IOS** for brevity), a component of the Compensation and Position Classification System of the Philippine Government, is being updated pursuant to *Sections 6 and 9 of Republic Act (RA) No. 6758*<sup>1</sup> dated August 21, 1989, and *Section 3(b) of Congress Joint Resolution No. 4*<sup>2</sup> dated July 28, 2009.

Specifically, the IOS contains a list of classes or position titles by occupational service and by occupational group. It is updated to reflect recent changes due to creation, abolition, retitling and reallocation of classes of positions.

Government agencies and other users will find the IOS a convenient guide in understanding the position classification plan, and in identifying classes of positions appropriate to the type of functions of the organization, and the specific duties and responsibilities of the positions.

Whenever necessary, modifications in the IOS will be issued by the Department of Budget and Management as developments occur in the nature and context of work and occupations in the government.
