

DEPARTMENT OF AGRARIAN REFORM

Legal Basis

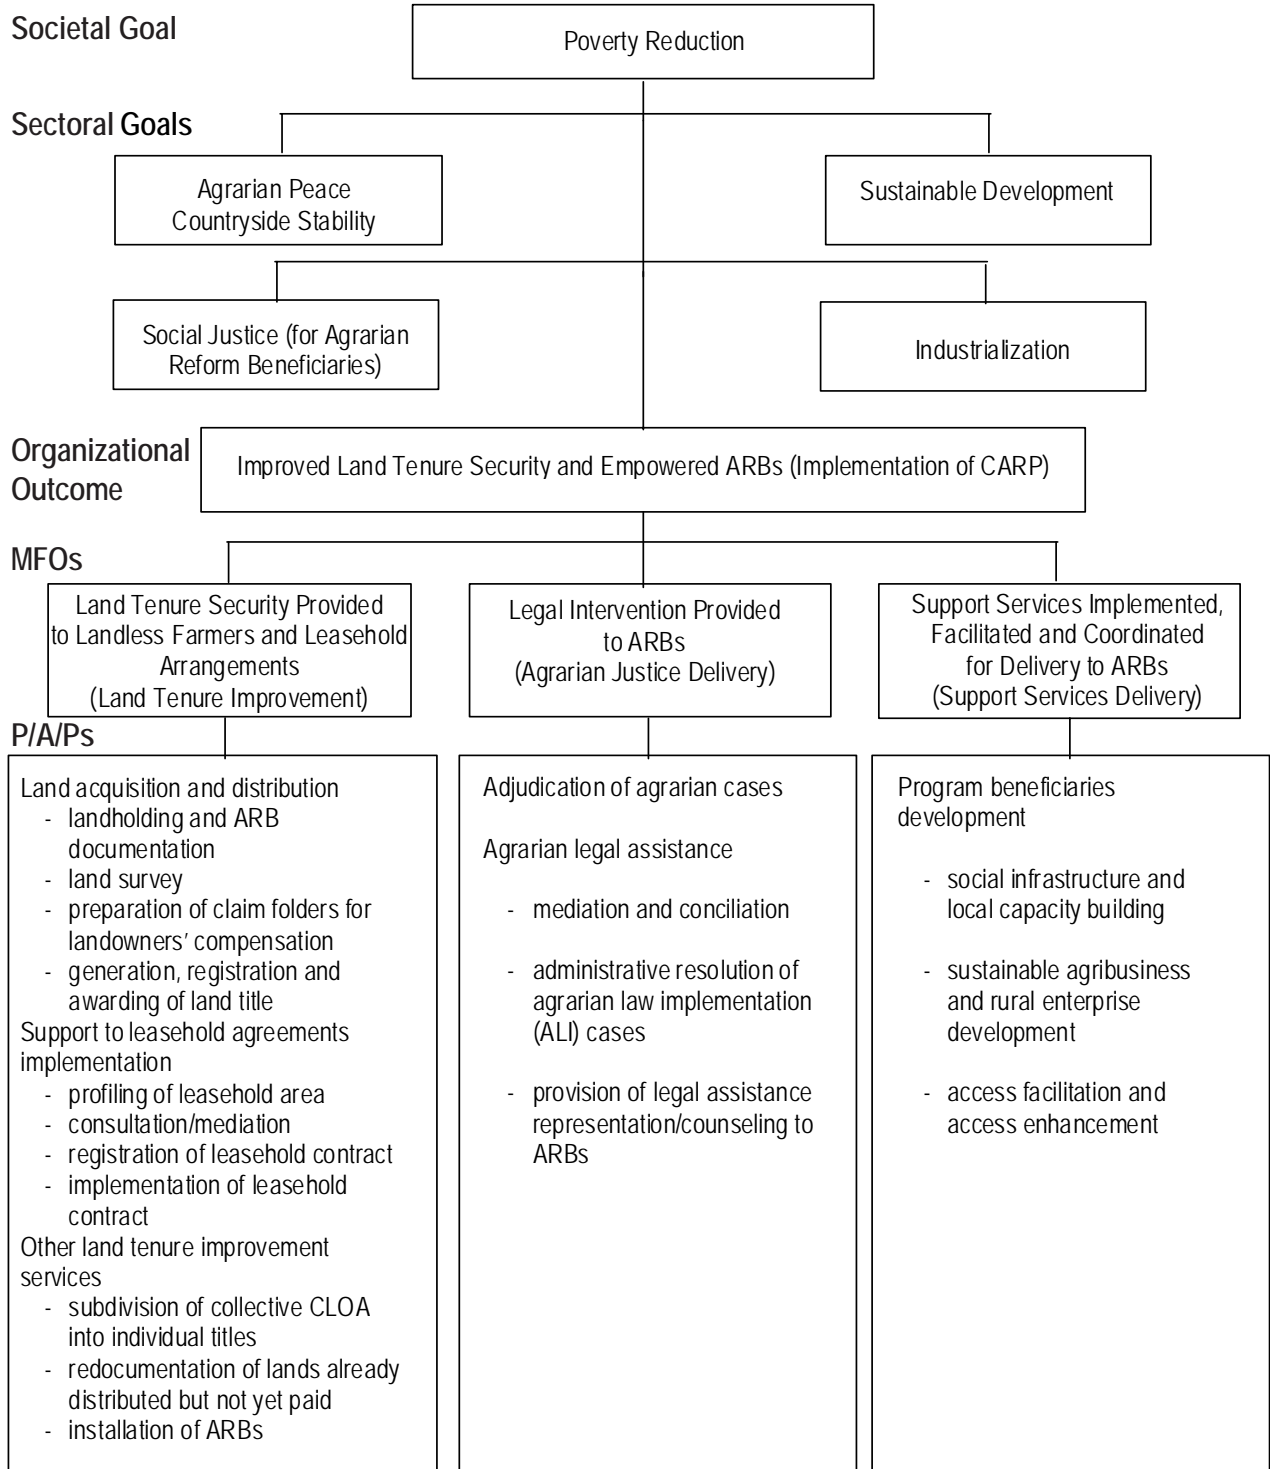

- **Republic Act No. 6389** (September 10, 1971), An Act Amending RA 3844, otherwise known as the Agricultural Land Reform Code, created a Department of Agrarian Reform (DAR) with the authority and responsibility to implement the policies of the State on agrarian reform. It abolished the Land Reform Project Administration, the National Land Reform Council, and the Land Authority and transferred their functions to the DAR.
- **Executive Order No. 129-A** (July 26, 1987) provided for the organizational structure of DAR and the respective functions of each office under it. It mandated DAR to implement the Comprehensive Agrarian Reform Program*.
- **Republic Act No. 6657** (June 10, 1988), or the Comprehensive Agrarian Reform Law of 1988, mandated DAR, in coordination with the Presidential Agrarian Reform Council (PARC), to plan and program the acquisition and distribution of all agricultural lands through a period of 10 years from the effectivity of said Act (1988). It vested DAR with quasi-judicial powers to determine and adjudicate agrarian reform matters.
- **Republic Act No. 8532** (February 23, 1998) extended the implementation of the CARP Law of 1988 to 2008.
- **Executive Order No. 364** (September 27, 2004) transformed the Department of Agrarian Reform into the Department of Land Reform (DLR) and stipulated that the Department shall be responsible for all land reform in the country, i.e., agrarian, urban land, and ancestral domain reform.
- **Executive Order No. 456** (August 23, 2005) renamed the DLR back to DAR.
- **Senate and House of Representatives Joint Resolution No. 1** (January 23, 2009) extended the coverage of the Agrarian Reform Program for a period of six (6) months for private agricultural lands.
- **Republic Act No. 9700** (August 7, 2009) strengthened the CARP, extended the acquisition and distribution of all agricultural lands, instituted necessary reforms, amended for the purpose certain provisions of RA No. 6657 as amended, and appropriated funds therefor.

Mandate

The Department of Agrarian Reform (DAR) leads the implementation of the Comprehensive Agrarian Reform Program (CARP) through land tenure improvement, agrarian justice, and coordinated delivery of essential support services to client beneficiaries.

* Prior to the enactment of the Comprehensive Agrarian Reform Law of 1988, President Corazon Aquino issued Proclamation 131 (July 22, 1987) instituting a Comprehensive Agrarian Reform Program (CARP) in the country, and Executive Order 229 (July 22, 1987) providing for the mechanisms to implement the CARP.
