

## Fiber Industry Development Authority

### Legal Basis

- **Executive Order No. 709** (July 27, 1981) created the Fiber Development Authority (FDA) which absorbed the functions of the Bureau of Fiber and Inspection Service and of the Abaca Industry Development Authority (agencies under the Ministry of Industry), placing FDA (as a government corporation) under the administrative supervision of the Ministry of Agriculture.
- **Executive Order No. 116** (January 30, 1987) reorganized the units of the Ministry of Agriculture and integrated all offices and agencies whose functions relate to agriculture and fishery into the Ministry, identified the Fiber Industry Development Authority (FIDA, in effect renaming the FDA) as one of the attached corporations/agencies of the Ministry of Agriculture.
- **Executive Order No. 494** (December 6, 1991), reorganizing certain government-owned or controlled corporations, transformed FIDA as a regular agency under the Department of Agriculture.

### Mandate

The Fiber Industry Development Authority (FIDA) promotes the accelerated growth and development of the fiber industry in all its aspects through research, extension, production support, utilization technologies, market development, standards enforcement, and trade regulation.
