As the last full-year Budget to be enacted under the Duterte Administration, the **PhP5.024 Trillion** proposed National Budget for Fiscal Year 2022 is focused on getting the Philippines back on the road towards full recovery. It is guided by a strategy supported by three (3) main pillars, which also correspond to the goals of its implementation, namely: Building Resilience amidst the Pandemic; Sustaining the Momentum towards Recovery; and Continuing the Legacy of Infrastructure Development.

Budget Comparison, 2021 vs. 2022

Budget Dimensions by Sector

^{1/} Includes the budget of the Philippine Health Insurance Corporation
^{2/} Includes the budget of the National Irrigation Administration

Note: Figures may not add up due to rounding off.
